RECEIVED.

Sir,

I am to inform you that your entry for the S.E. ¼ of Section 10, Township 53, Range 27, West Fourth Initial will not be re-decided in accordance with the declaration of settlement you have executed, but will be dealt with for settlement on the usual terms. Yours obedient servant,

The completion of this letter to my agent at Edmonton has given me the opportunity to mention that I have not withdrawn from my application for the S.E. ¼.

Your request to have the entry for you will in connection with the above mentioned quarter-section transferred to Alfred Lewin cannot be granted.

I am to say that you have no right to trespass on the S.E. ¼ of the above Township. Upon being informed that you were living on that piece of land, and upon which you have the logs for a house and a stable for your horses, you were given ten days notice to remove from the land. This notice was served upon you by Mr. Miller, who was the Dominion Lands Agent at Edmonton in December, 1907, and who is now in charge of the Dominion Lands Office at Stony Plain. You were also informed by Mr. Miller, who came to the Dominion Lands Office at Edmonton in January, 1908, and who is now in charge of the Dominion Lands Office at Stony Plain, that you were not to remove from the land.

be cancelled on the ground of having misrepresented the facts when making his homestead entry. The Agent is also being requested to procure as soon as possible a very careful report on the land by the Homestead Inspector. The Inspector will pay particular attention to the residence and improvements you have made on the land. When the report has been received, provided of course the existing entry for the land is cancelled, it will be decided whether the Department would be justified in giving you any prior right of making homestead entry or whether the quarter-section should be made available for settlement by the first eligible applicant who makes application (after the quarter-section has been posted for the required number of days) for entry at the office of the local Agent or Sub-Agent of Dominion Lands for the district.

Sir,

I beg to acknowledge the receipt of your letter of the 16th ultimo enclosing a Homestead Inspector's report with regard to the N.E.¼ of Section 31, Township 53, Range 27, West of the 4th Meridian, and in this connection to draw your attention to the Departmental communication dated the 18th of January, 1909, addressed to Mr. J. W. Lewis with regard to the North West Quarter of Section 32, in the same township, a copy of which was forwarded you at the time, and to ask you to explain why you granted Michael Gamble homestead entry for the North East Quarter of Section 31, on the 10th of May, 1909, in view of the instructions contained in the concluding paragraph of the communication referred to. It reads as follows:-

> "When the report has been received, provided of

Re W½, 32-53-27-W.4th Ler.

Mr. W. H. Manning was granted a homestead entry for the W½ of Section 32 and the area noted was 160.64 acres as indicated on sketch A, herewith.

This area covers all the land in the W½ of the Section west of the Indian Reserve, that is to say it includes a small strip of the NE¼ but was not so indicated on the plan of the township at the time of entry.

A new plan has now been issued as indicated on sketch B, which changes the area of land in the W½ as per it now 108.90 acres and also shews a small strip containing 2.43 acres in the NE¼ shewn coloured in GREEN on sketch B.

I would like to know whether this small strip is to be included in the grant before I submit a sketch to Mr. Manning in order to ascertain which he will choose.

Sir:

Re T. [illegible] 4th ...

At the time that you made your homestead entry on the above mentioned quarter section there was an unsurveyed lake thereon, as indicated on Sketch A, enclosed, and the area stated in your entry papers was 160.64 acres.

This area is the total area of land and water lying between the western limit of the Indian reserve and the western limit of the quarter section and includes a small portion of the lake.

A new plan of the township has now been published and the lake has been surveyed and the area of dry land in the [illegible] is now 109.40 acres as shown on Sketch [illegible], enclosed.

Encl. Sketch [illegible]

The patent will therefore have to be issued accordingly.

If you desire to acquire the small area of 1.20 acres in the [illegible] shewn coloured [illegible] on Sketch such area may be sold to you at a valuation to be placed thereon by a [illegible] Inspector.

Kindly advise me as soon as possible in this matter, in the meantime the preparation of the patent for the 109.40 acres according to Sketch will be proceeded with.

Memorandum:

I beg to invite your perusal of the letter of the 13th July last from the Assistant Agent of Dominion Lands at Edmonton relating to the area of that portion of the N.E.¼ of Section 32, Township 53, Range 27, West of the Fourth Meridian, lying between the N.W.¼ of the same section and the Indian Reserve.

It will be appreciated if you will be good enough to favour me with an expression of your opinion in the matter.

TOPOGRAPHICAL SURVEY OF CANADA

OTTAWA

September 14, 1916.

The Secretary,
Lands Patents Branch,
Department of the Interior,
OTTAWA.

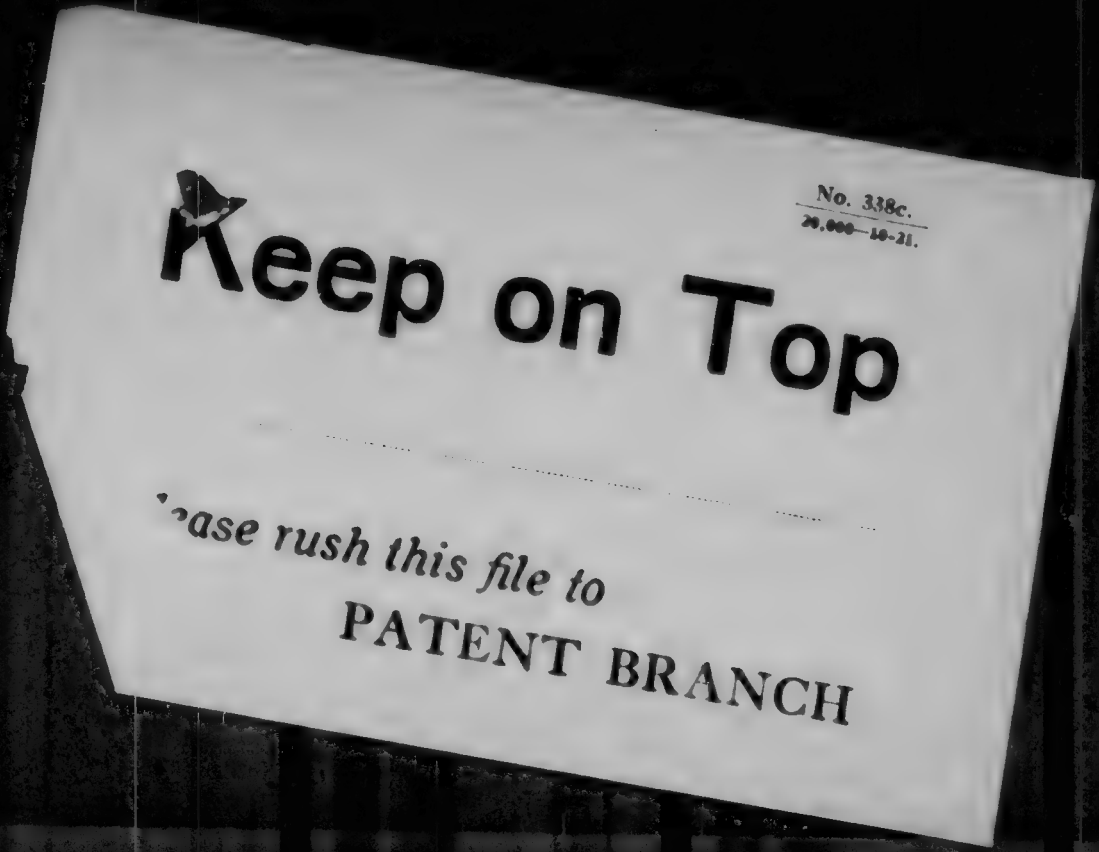

Memorandum:

Referring to your memorandum of the 8th September, File 1 5 554 herewith, the area of the fractional north quarter of section 32, township 53-27-4 west of the second meridian, Indian Reserve No. 174 in the said section and the Indian Reserve on the east shore of the township as shown on the latest surveys is 1.3 acres.

The area of this quarter-section as shown on the third edition of the township plan dated 29 May, 1914, by the resurvey of A. McPhillips, D.L.S. in 1910 and subsequently was 161.0 acres of which 159.7 acres was shown as water and the area was therefore 1.3 acres.

Your attention is drawn to the memorandum of the 8th May, 1916, on file herewith, in this connection.

OTTAWA, 2nd October, 1926.

Sir:-

Adverting to your letter of the 13th July last, your file No. 822705, reporting payment in full together with the patent fee in connection with Mr. Walter R. Manning's purchase of the narrow strip of land in the North East quarter of Section 32, Township 53, Range 27, West of the 4th Meridian, lying between the North West quarter of the same section and the Indian Reserve in the North East quarter, I beg to say that the abstract of title forwarded with your letter above mentioned does not establish Mr. Manning's ownership of the Fractional North West quarter of this section. According to this document title at the present time is vested in the Municipal District of Spruce Grove, and as the instrument was dated the 8th November, 1920, it appears that the period for redemption has expired though it may possibly have been extended.

Encl.

The abstract of title above mentioned is returned herewith and before the issue of letters patent for the land in question may be proceeded with, Mr. Manning will, in accordance with the terms of the sale, be required to have filed here evidence showing him to be the present registered owner of the said Fractional North West quarter of the section.

I may add that the area of the land in question according to a recent report received from the Surveyor General and as it will appear in the next edition of the township plan is 1.3 acres, as set forth in my letter of the 8th June last addressed to Mr. Manning.

Dear Sir

In the year 1910 I filed on a quarter section known as the N.W. 27 4 the 4th Meridian. At that time my quarter consisted of 160.00 acres. At this time my South West corner was across the lake joining the N.E of 31. There were a few more acres on that side of the lake and I built my cabin here as the Bush was heavy on the East side of the lake and there was much more timber then.

In 1914 they made a new survey of my land and upon checking my title in the land office I find there is no record of my quarter section adjoining the N.E 31. that I used to have. Also I have a trachon road as it now runs my cabin built. Also and my stable still was the same would you please let me know

DOMINION LANDS ADMINISTRATION

Copy for D. H. Boles, Esq.,
Director of Lands,
Department of Lands and Mines,
Edmonton, Alberta, enclosing Mr. Lammi's letter.

22nd October, 1932.

Sir,

I beg to acknowledge the receipt of your letter of the 26th ultimo, wherein you request the Department to advise you as to whether you will require to produce your father's Certificate of Naturalization or obtain such a document for yourself before you can acquire patent for the S.W.¼ 26-61-8-W. 4th Meridian.

According to the records here one Victor Lammi furnished a Certificate of Naturalization when applying for patent for the N.W.¼ 22-61-8-W.4th Meridian and this document which was dated the 15th March, 1917, was returned to him on the 6th May, 1918.

As the natural resources have been transferred to the Province of Alberta and as your homestead now comes under the jurisdiction of the provincial authorities, your communication is under cover of a copy of this letter being forwarded to Mr. D. H. Boles, Director of Lands, Department of Lands and Mines, Edmonton, Alberta to deal with.

Sir,

I beg to inform you that your entry for the N.W.1/4 of section 36, township 60, range 3, west of the 5th meridian will be cancelled on the declaration of abandonment you have executed, and the land made available for re-entry on the usual terms.

There would appear to be the following improvements:-

House, worth $25.00, a few acres cleared and a good well, $20.00.

These improvements will be valued by a Homestead Inspector, when re-entry is granted, and the amount of his valuation collected from the person securing the 1/4 section.

If, at any future time, you are in a position to perform the settlement duties, and you desire another homestead, it will be necessary for you to address a written request to the Secretary of the Department of the Interior, Ottawa, for the authority required to make a fresh entry, so that the transaction shall be recorded here.

I Herbert Henry Captain

do solemnly declare that the answers to the foregoing questions are true and correct in every particular. That I am entitled to a Patent for the Homestead under the Provisions of The Dominion Lands Act.

That I obtained my entry and claim Patent for the said land for my own benefit and not in the interest or for the benefit of any other person or persons whomsoever, as mentioned in section 38 Dom. Lds. Act.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of the provisions of the Canada Evidence Act.

Declared before me at Edmonton in the District of Alta this 2nd day of December A.D. 1907

W. T. Dixon

A Dominion Lands Agent

Herbert Henry Captain

Homestead applicant

I, Herbert Henry Captain, of Edmonton in the District of Alta, having produced evidence showing ownership of the S.W. ¼ of Section 2 Township 52 Range 24 West 4th Meridian, from the 2nd day of December 1907 to the present time; that all payments have been made to date and that the conditions of settlement have been performed, as required by law, I hereby apply for a Patent for the said land.

Dated at Edmonton this 2nd day of December 1907

Herbert Henry Captain

Witness: W. T. Dixon

Dominion Lands Agent.

I recommend the issue of Patent for the above mentioned land, the homestead requirements of The Dominion Lands Act having been complied with.

INTERIOR

Sir,

I beg to acknowledge the receipt of your letter of the 2nd ultimo, ref. 49968--54:48, and in reply to say that while it would appear from declaration of Mr. Albert Hoover that for a considerable time after obtaining entry for the S.E.¼ of Section 19, Township 29, Range 26, West 4th Meridian, he was not in good standing, he now claims residence continuously since the 1st August, 1907, with the following improvements:-

House, ... $150.
50 acres fenced, ... 50.
Good stable, ... 125.
5 acres breaking, of which 5 acres were under crop this year.

It would be well to obtain a report from the Local Homestead Inspector, and if his statements are confirmed, to grant him preemption entry for the N.W. ¼ of Section 7, Township 29, Range 25, West 4th Meridian.

DO SOLEMNLY DECLARE that I have heard and seen the declaration taken under oath by Albert Peever on the 15th day of September last in the Dominion Land Office at Calgary and I do ~~solemnly~~ declare that same is false. The only improvements he had on his homestead at date being a shack 10×12 Sunga boards value $35.00 and 5 acres fenced and about 8 acres broke, a well four feet deep. He had stated he had a sod stable 18×20 ~~Average height 3 feet~~ There was no frame stable at that time He has broken some more land since that He is no well valued at $300. as stated. I desire to lodge a protest against his pre-emption entry as his improvements are in default.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of "The Canada Evidence Act, 1893."

Referring to your communication of the 2nd of October last, File 1651686, re. the N. E. ¼ of Section 12, Township 29, Range 26, West fourth Meridian, and the N. W. ¼ of Section 7, Township 29, Range 25, West fourth Meridian, I have the honor to inform you that on the 15th of September, and prior to ~~the~~ date of said letter pre-emption entry was granted to Albert Peever, of Talmont, Alta., covering the latter quarter-section. I observed according to the last paragraph of your letter, you advised that a report be obtained from the Homestead Inspector in order that the statements made by that gentleman should be confirmed before granting entry. I also observe that the case had been submitted to Head Office in this office letter of the 2nd of September, and therefore no action should have been taken until your letter of the 2nd of October had been received.

I now enclose a declaration from Mr. Albert Wm. Wheeler stating that the evidence given in Mr. Peever's declaration was false, and a copy of this letter is being forwarded to the Homestead Inspector, who is being instructed to investigate and report at an early date.

With reference to your declaration of the 21st October last in connection with your desire to obtain the N.W. ¼ of Section 7, Township 29, Range 25, West 4th Meridian, as a pre-emption entry, which is now held by Mr. Peever, whom you claim is not performing the required duties thereon. I am to say that the Agent of Dominion Lands at Calgary was requested to detail the homestead inspector to visit this land on the first opportunity and report clearly in the matter. This statement has now been received and according to the information furnished it would appear that the homesteader was in good standing on the date he made pre-emption for the above mentioned land and therefore, there is no apparent reason why the quarter section should be disturbed.

You asked to be advised regarding this matter.

Mr. Sever was granted his pre-emption entry on the 15th October, 1909.

Mr. Hosler protested that Mr. Sever's pre-emption was not in good standing at the time he was granted his pre-emption.

The matter was very carefully investigated and the former Minister decided to confirm Mr. Sever's pre-emption entry.

Without discrediting the evidence already produced, there would appear to be no good grounds for re-opening the case.

The undersigned has the honour to report that it is desirable to have an investigation in relation to the conditions under which Mr. Albert Reever was granted pre-emption entry for the North west quarter of Seven, Twenty-three, Twenty-five, west Fourth Meridian.

Mr. A.E. Wheeler was a disappointed applicant for the quarter-section mentioned and claims that Mr. Reever was not entitled to make entry for this land because the latter had not enough improvements on his homestead.

The undersigned, therefore, has the honour to recommend that Mr. James Muir, L.S., of Calgary, in the Province of Alberta, be authorized under the provisions of the Dominion Lands Act, Paragraph (d), Section Seventy-six, Chapter twenty, 7-8, Edward VII, to investigate the said matter and for that purpose to summon before him such persons as may be necessary, and examine such persons on oath and to compel the production of papers and writings at the said investigation.

[illegible]. . heeler [illegible] a diary entered
[illegible]ficant for this pre-emption and now
rene[illegible]s his claim to the land.

Both Peever and Wheeler hold homesteads adjoining. Peever's homestead entry was made in 1904, while Wheeler's entry is dated 1907.

Wheeler claims that when Peever secured this pre-emption, his homestead entry was not in good standing, because he had not made improvements.

There is no doubt that Wheeler has more improvements than Peever, but after carefully investigating the case the Department decided that Peever has made sufficient improvements to warrant the confirmation of his entry.

Peever and five others declared that he had the requirements of breaking at the date when he became pre-emption entry. The case was investigated by Inspectors Thrifter and Latimer, both of whom agree in the conclusion that Peever should be allowed to retain his entry.

Wheeler

[illegible]. [illegible]or, Esq., [illegible]. [illegible].
Chief Clerk of the Interior,
Ottawa.

Wheeler and one other, Carl L. J. Koch, claim that Peever had not twenty acres broken but only five acres on the 1st of September, 1930 and never acted on the 11th.

It seems Peever was the first applicant for entry on the 1st or 2nd of September, at which time Wheeler also protested. On the 2nd of September Peever claimed the following:-

House.....$100.00
Stable.....100.00
Five acres fenced.....50.00
Eight acres broken of which five was backset.

Wheeler claimed that Peever had only a small shack and five acres of breaking.

It seems that Peever had a first application on the 11th of September, 1930. This application was supported by affidavits from Peever and two others claiming twenty acres breaking, which the Agent accepted, though he should not, strictly speaking, have done so, as the case was not then before Head Office for consideration.

Wheeler claims that he applied for entry before Peever but was refused. If this is correct no doubt the reason was that Peever's homestead entry was of earlier date than, other things being equal, would have given Peever priority.

Mr. Wheeler claims that he tried to reinstate Peever's witnesses for perjury, but the case was dismissed because the official before whom the affidavits were taken was not duly authorized.

This case has been a very troublesome one, but I see no reason for upsetting the decision already arrived at, namely, that although Peever may not have done very much in the way of improvements, still he has done enough to entitle him to secure the entry.

I observe that in his letter Mr. Wheeler files an affidavit from A. M. Nelson who swears that Peever told him that he expected to get over $100.00 to obtain entry for same".

It

It does not appear that any money was ever paid into this feature of the case.

Before it can be shown that Hoover's entry was secured by improper means, so that the duties are in default, I do not think the entry should be disturbed on account of the relative smallness of work done on the mineral claims as to the security of the location.

Respectfully submitted,

Jos. P. D.

The Minister of the Interior, under date 16th November, 1912, reports that it is desirable to have an investigation in relation to the conditions under which Mr. Albert Peever was granted preemption entry for the north west quarter of Seven, Twenty-nine, Twenty-five, west Fourth Meridian.

The Minister states that Mr. A. W. Wheeler was a disappointed applicant for the quarter section mentioned and claims that Mr. Peever was not entitled to make entry for this land because the latter had not enough improvements on his homestead.

The Minister, therefore, recommends that Mr. James Muir, K. A. T. Wheeler was appointed applicant for this pre-emption in the new name to the land.

Both Peever and Wheeler hold hereafter by priority. Peever's homestead entry was made in 1[illegible], while Wheeler's entry is dated 1[illegible].

Wheeler claims that when Peever secured this pre-emption, his homestead entry was not in good standing, because he had not enough improvements.

There is no doubt that Wheeler had more improvements that Peever, but after carefully investigating the case the Department decided that Peever had enough improvements to warrant the confirmation of his entry.

Wheeler and one other, Carl L. J. Boch, claims that Peever had not twenty acres broken but only five acres on the 1st of September, 1908 and seven acres of the 19th.

It appears Peever was the first applicant for entry on the 1st or 2nd of September, at which time Wheeler also protested. On the 2nd of September, Peever declared the following:-

House.....	$100.00
Stable.....	$125.00
Five acres fenced.....	$ 50.00
Eight acres broken of which five had been cropped.	

Wheeler claimed that Peever had only a small shack and five acres of breaking.

It appears that Peever made a fresh application on the 19th of September, 1908. This application was supported by declarations from Peever and two witnesses claiming twenty acres breaking which the Agent accepted, though he should not, strictly speaking, have done so, as the case was at that time before Head Office for consideration.

Wheeler claims that he applied for entry before Peever but was refused. If this is correct no doubt the reason was that Peever's homestead entry was of earlier date and this, other things being equal, would have given Peever priority.

Mr. Wheeler claims that he tried to prosecute Peever for perjury, witnessed for perjury, but the case was dismissed because the official before whom the affidavits were taken was not duly authorised.

This case has been a very troublesome one, but I see no reason for departing from the decision already arrived at, namely, that although Peever may not have had very much in the way of improvements, still he has enough to entitle him to secure the entry.

I observe that in July Mr. Wheeler filed an affidavit from C. H. McLean who swore that Peever told him "that his pre-emption had cost him over $1,000 to obtain entry for same".

It does not appear that any inquiry was ever made into this feature of the case.

Unless it can be shown that Peever's entry was secured by improper means, or that his duties are in default, I do not think the entry should be disturbed on account of the relative smallness of work done on the land previous to the securing of the pre-emption.

Respectfully submitted.

Deputy Minister,
Department of the Interior,

Dear Sir:

re Albert Peever and Peeler.
S.W. 7-29-3 W 4th

We are acting for Mr. Albert Peever in the matter of a reference which has been directed to bring in a report as to the conditions upon which the pre-emption entry was obtained to the above piece of land. There is no provision under the Dominion Lands Act under which this investigation can be ordered empowering the investigator to fix costs against the unsuccessful party, and our object in writing you now is to find out whether or not it is the intention of the Department to pay the expenses incidental to the investigation, or will it be necessary for Mr. Peever to bring his witnesses down here at a very considerable outlay to himself.

We make this enquiry further because Mr. Peever is by no means a wealthy man, and the cost of bringing these witnesses to Calgary from Peele, maintaining them here, and the cost of his various trips to Calgary in connection with this matter will be rather a large item. We think Mr. Peever should be relieved of payment of any

expense for the further reason that this same matter was been investigated by your department on a former occasion when two of your inspectors were satisfied that Mr. Peever had the necessary improvements to have his entry granted and in view of this, and in view of the fact that he has been recommended by your Calgary office for patent, it seems to be a great hardship that relying on the decision which was arrived at formally and improving this land in the way he has done, he is now running the chance of having his land taken from him and possibly being put to considerable expense.

Yours truly,

Dear Sir:-

RE. PEEVER & WHEELER &
N. W. 1/4 - 7 - 29 - 3 W. 4th.

I am just in receipt of yours of February 25th ult. in this matter, and in reply to which I beg to say that soon after the receipt of my appointment as Commissioner to enquire into this matter, I wrote to both Peever and Wheeler asking them, among other things, to agree, if possible, upon some time and place when the enquiry could be made, and soon after received letters from Mr. Smith of the firm of Clarke, McCarthy & Co. saying that they had instructions to act for Mr. Wheeler, and also was informed by Mr. Maber of the firm of Tweedie & McGillivray, Barristers, of this City, saying they had instructions to act for Mr. Peever.

After a meeting with the respective solicitors, it was agreed that it would be more convenient to hold the enquiry in Calgary rather than at Acme, the only other place suggested.

The Secretary-
Dept. of the Interior -

I expressed a willingness to suit their convenience, and the result was as I have stated.

Pursuant to this arrangement the evidence of Wheeler and Peever and 10 other witnesses was taken, and in order that the evidence might be submitted to the Government with my report thereon in as complete a form as possible, it was agreed that the same should be taken by one of the Court stenographers, and this has been done: the same being completed on the 21st of February ult., and as soon as this evidence has been transcribed (which I expect will be in a few days) I shall prepare and forward my report to your Department.

I may further say, that as both Peever and Wheeler seemed to be so peculiarly interested in the matter and through whom this reference to me, I presume, had been made, I felt they would procure all the evidence obtainable, and that unless it should appear to me in the course of the enquiry that there was any further evidence procurable, it would not be necessary to summons further witnesses.

The witness, C. H. McLean as to the charge that the pre-emption had cost Peever over $100., being one of the witnesses also produced, this question was also dealt with.

I notice your communication of February 25th directs that the investigation be held at Acme and possibly your Department may have had some letter from one of the parties interested asking for this, but as I have said before, all parties seemed

The Secretary -
Dept. of the Interior -

satisfied to take the evidence here, and unless the Department have some reason for their evidence being taken at the place mentioned, I shall close the matter and make my report, but if it is considered advisable to take further evidence this can yet be done, but so far as I know, all the witnesses who could give any evidence in the matter were produced before me.

I may further say, that at the request of the Solicitors for Peever and Wheeler, I issued subpoenas which they had served upon the witnesses at their own expense. I was asked at the close of the proceedings to recommend that the actual expenses of the witnesses should be paid and intimated that I would submit this to your Department, and on this point I may say, that if the witnesses had been subpoened and served by me, I felt, that as I understood some of them would be unwilling to attend, it would be necessary to pay them their witness fees, which, in the first instance at any rate, would have had to be done by myself as commissioner. I asked both Solicitors to furnish me with the actual disbursements of the witnesses, as, in any event, this would be the most I could recommend to be paid, but so far, have not been furnished with this. I did say that the charges of the stenographer would be paid by the Government, as I felt that

The Secretary,
Dept. of the Interior,
Ottawa -

seeing this question had been reported upon before, it appeared to me advisable to have all the evidence taken, submitted to the Department with my report.

A.W. Wheeler was a dismissed applicant for this re-entry.

Both Peever and Wheeler hold homesteads adjoining.

Mr. Peever's homestead entry was made in 1904, while Wheeler's entry is dated 1907.

Wheeler claims that Mr. Peever secured this re-entry, his homestead entry not being complete as he had not [illegible].

By an Order-in-Council dated the 21st November 1912, Mr. James Muir, K.C., was appointed to hold an investigation.

On the 7th inst., Messrs. Clarke, McCarthy, Carson & Macleod, acting on behalf of Mr. Peever, requested that it would entail considerable expense to the latter, if he was compelled to take his case to Calgary.

In accordance with your instructions, Mr. Muir has been instructed to hold the investigation at Acme, Alta.

Re.

The matter of Mr. Duncan Muir, Chief Engineer, Department of Mines, has been left by Mr. Muir in the hands of Mr. Muir as Commissioner for investigation and report.

The matter of Mr. Muir's claim for fees as Commissioner was brought to the attention of the Minister, Mr. Muir, and the Minister directed that Mr. Muir be advised to have Mr. Muir advise the Department of the amount of his fees, and that the matter would be dealt with by the Department.

Mr. Muir, however, writes that he has left the matter entirely in the hands of the Department, stating that the fees should be at the rate of $ per day, as per letter of instructions, which is the matter the Department will have to decide.

Mr. Muir has been in charge of the investigation. It appears that Mr. Muir has been acting as Counsel for Fraser and Wheeler and has been at their own expense. Mr. Muir states that if the Minister has been advised and served himself, as Commissioner, that the fees would have been disputed by the Department, and he. The Commissioner agrees, however, that the matter be left with the Department for settlement.

...ary, 1926.

Sir,

D.V.I. 2-54-6 V.5th N.

I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1923, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter-section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter-section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favor or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner of Dominion Lands.

Preston Francis Hartman, Esq.,
Fawcett,
Alberta.

CHARLES HAWKINS, sworn.

Examined by Mr.A.L.Smith, testified.

Q. Where are you residing now?

A. Peace River.

Q. How long is it since you have seen Mr Peever?

A. Two years.

Q. It is two years since you have seen him?

A. Yes.

Q. Do you remember appearing or do you remember making a declaration with regard to the improvements on Mr Peever's homestead at any time?

A. Yes.

Q. Do you remember his making an application for a pre-emption entry?

A. Yes.

Q. Did you make a declaration at that time?

A. Yes.

Q. Were you familiar with what improvements he had on his homestead at the time he made his entry for Pre-emption?

A. Sure, I was living right there on my own place.

Q. How far from Peever's place were you?

A. About Three miles.

Q. What section were you on?

A. The south-east quarter of 10, Township 29, Range 25, West of the 4th. Meridian.

Q. You two men were homesteaders out there together?

A. Yes.

Q. Do you know Peever's land, do you know what the description of his homestead was, what section, what quarter, and so on?

A. I forget now, I have been away two years. I could go out there and find it for you. I know where it is alright.

Q. Do you know what improvements he had on his homestead at the time he made application for his pre-emption entry?

A. Yes.

Q. What did he have?

A. He had about Twenty (20) acres broken I judge, and he had a shack, a sod barn, and a frame barn.

Q. Anything else?

A. Five acres of fencing and a well.

Q. Did he have any crop?

A. Five acres.

Q. He had Five acres of crop?

A. Yes.

Q. What would you say the value of his house, his shack, was?

A. About $150.00.

Q. Do you know whether or not Mr.Peever had been living on this place?

A. He was living right there.

Q. Had he been living there for some time?

A. Yes, I have stopped there with him at nights.

Q. Have you any idea how long he had been living there?

A. I forget now, I could not tell you exactly.

Q. When did you make entry yourself, do you remember?

A. I don't know now. I have had my patent about Three or Four years, I think.

Q. Possibly you would get out there about 1904 then?

A. Yes, about that.

Q. Somewhere around there?

A. Yes.

Q. Was Peever there when you got there?

A. I would not be sure whether he was there when I got there or not.

Q. Would he be there shortly after you got there?

A. I think he was there before me if I am not mistaken.

Q. Was he living there, was that his home, from the time you first knew him there until you made this declaration?

A. Well - he was away haying.

Q. Was that his home?

A. Yes, sure it was just the same as mine was until I proved up on mine.

Q. You say the value of this shack was $150.00?

A. Yes.

Q. Do you know what that well was worth, I suppose he dug that himself?

A. Yes, I suppose he had someone to help him.

Q. Could you give me any idea of the value of that well?

A. I don't know.

Q. Do you know how deep it was?

A. I am not sure, it is such a long time ago.

Q. Was it a bored well or was it dug?

A. It was dug.

Q. Have you any idea of the cost of fencing?

A. Yes.

Q. What would that Five acres of fencing cost, do you think?

A. About $25.00.

Q. What would be the cost of the frame barn?

A. I could not say.

Q. Was it bigger than the shack?

A. He had grain in there then I know, that's all I remember about it.

Q. He had grain in this frame barn?

A. Yes.

Q. All that you remember is, there was a frame barn there with grain in it?

A. Yes.

Q. Was that his crop, was that his own grain?

A. Yes, sure.

Q. What you have told me now is substantially what you said in your declaration, is it not?

A. As far as I know.

Q. Have you seen that declaration from that day to this?

A. No.

Q. Have you ever seen a copy of it?

A. No.

Q. By the way, does Mr Peever owe you anything?

A. No Sir.

Q. Do you owe him anything?

A. No Sir.

Cross-examined by Mr.Maher.

Q. It was on the 15th September you made that declaration. What was the last day you were on the property before you left, before you made that declaration. Were you there the day

before or several months before, or when?

A. I was there during the summer.

Q. When did you inspect the property to see that these improvements were there?

A. (No answer).

Q. You were in Calgary on the 15th September?

A. Yes.

Q. How long before that was it you were on the place?

A. I have not been thinking anything about this, I can't remember exactly, it is three or four years ago.

Q. You remember coming to Calgary and attending the Land Office with someone else and making a declaration?

A. Yes.

Q. What I want to know is, what is the date you were on the property before that. How long was it before that you saw this property with its improvements?

A. I can't tell you the exact date.

Q. I don't want the exact date. Was it a month or two months?

A. It would be about a month.

Q. You saw it about a month before you made that declaration?

A. Yes.

Q. With regard to this shack, what was the size of it?

A. It was 10 x 12, the same size as my own, which I proved up on.

Q. Was it completely finished?

A. Yes, not plastered, but the lumber was there.

Q. Have you ever built a house like that yourself?

A. Yes.

Q. And you say it cost $150.00?

A. Yes.

Q. Do you know Mr.Stauffer, the Inspector of Homesteads?

A. Yes.

Q. Would it surprise you to know he valued that shack several months after you saw it, at $50.00?

A. Yes, it would surprise me.

Q. It does surprise you?

A. Sure.

Q. What sort of a fence was this that you say was on the property?

A. Wire fencing.

Q. Which you value at $25.00?

A. Yes, about that.

Q. With regard to this well, was it finished, or was it simply a hole in the ground?

A. There was water in it.

Q. Was there anything to get the water up?

A. There was a rope and a pail there.

Q. You don't know the value of that?

A. No.

Q. Do you think it would be worth as much as $50.00?

A. I think it would be worth that to the man that owns it.

Q. Would it surprise you to know that Mr Stauffer, the Inspector, valued that at $10.00 a long while after?

A. Yes.

Q. Have you ever dug a well like that yourself?

A. Yes, several.

Q. How long does it take you to dig a well like that?

A. Quite a while.

Q. How long would it take you to dig a well like that?

A. It all depends what kind of stuff you are digging in, whether you are digging in sandstone or other stuff.

Q. What about in a place like that?

A. You wouldn't make very much headway in a week or ten days.

Q. How deep was that well, do you know?

A. I forget.

Q. Did you ever look inside to see how deep it was?

A. I believe so.

Q. Would you remember how deep it was; was it Five feet or Six feet deep?

A. It was more than that. You would not remember the depth of a well for two or three years, I have forgotten all about that now.

Q. What was this sod stable like?

A. It was made of sod.

Q. How big was it?

A? I should think it was about 20 x 30. You must not expect me to know anything about it now.

Q. Mr Stauffer, the Homestead Inspector, valued that at $5.00. If Mr Stauffer valued that at $5.00, what do you think?

A. There's lots on homesteads proved up like that valued at $200.00.

Q. Have you built one like that?

A. Yes.

Q. One about the same size?

A. Yes.

Q. How long did it take you to build that?

A. I can't tell you the time, the material does not cost anything, it is the labor in cutting the poles.

Q. How much do you think this sod stable was worth then?

A. About $100.00.

Q. As to this frame stable, what was the size of that?

A. I don't remember what the size of it was at all. I cannot remember those things.

Q. How high was it?

A. I couldn't tell.

Q. You say you were over on this property quite often. Surely you must know something about the size of it. You were there often, were you not?

A. Yes, I know I was.

Q. Surely you have not forgotten the size of that by this time, have you?

A. Well, I never measured it.

Q. Was it as big as this room?

A. Oh yes.

Q. Was it 10 x 15, do you think?

A. Bigger than that, 16 x 20, something like that I should think, about that.

Q. Was there a loft to it?

A. No.

Q. It would not be very high then, would it?

A. No, just one floor.

Q. What sort of wood was it built of, do you know?

A. Spruce or Poplar; spruce, I guess.

Q. What do you think it would cost to build a stable like that?

A. About $1[illegible]0.00.

About $150.00, you think?

Yes.

you know how long Mr Peever had been on his place when were there, how many years?

ys going on over Three years.

A.rovements were not very big for that period, were they?

Q. about as good as the average homesteader's.

A to this breaking, you di not measure it at all,

A. Th only just made a casual guess at it?

ludge there was about Twenty acres.

Q. How much is Twenty acres of breaking worth?

A. Worth from $3.00 to $3.50 an acre.

Q. That would be about $70.00 then?

A. Yes, some of that was disced and worked.

Q. And that is all you know about this then?

A. Yes, that is all I know about it.

Re-examined by Mr Smith.

Q. How long would it take two men and a team to build that sod barn, about 20 x 30?

A. Close on to a week.

Q. After you got the sods, how long would it take to plow the sods?

A. It would not take long after you had the horses fixed up.

Q. Did Mr Peever have to go some distance for the sods, or did he have them handy?

A. Not very far to haul them. I think he would get them on his own place.

Q. Do you know the thickness of the wall? Were the sods laid crossways?

A. Yes, crossways and the others along the ends.

Q. What was the length of them?

A. The wall would be about 2-feet at the bottom and a foot at the top. It would be all of 2-feet and they slope in.

Q. Did Peever have any stock there?

A. Yes, he had some horses there.

Q. Do you know how many he had?

A. Two teams.

Q. Any implements?

A. Yes.

Q. What did he have, do you remember?

A. He had a plow, mower rig and disc, I think.

Examined by Mr.Muir, Commissioner.

Q. About when have you seen this property last?

A. I saw it at a distance about this time of the year at Acme. I went out last Thursday to Acme and saw it then.

Q. You saw it then?

A. Yes, but I was not right on the place.

Q. You saw it from a distance, did you?

A. Yes.

Q. How is it now compared with when you made your declaration?

A. He has a better and bigger house on it, and there is more breaking done and more improvements.

Q. Any more fencing?

A. Yes.

Q. Is the sod building there yet?

A. It has fallen down now.

Q. You are on your way now to the Peace River?

A. Yes.

Q. And you are just giving this evidence on your journey there?

A. Yes, before I go out.

Q. When are you starting for Peace River?

A. Tomorrow.

Mr.Smith:

Q. When you made that declaration in Calgary, do you remember who you came down with?

A. I came down for a pre-emption for myself.

Q. Did you come down with Peever, do you remember?

A. No.

Q. You are not clear as to when you were on his place last before making that declaration?

A. I was there in haying time in August some time.

Q. It would be some time in August that you were there?

A. Yes.

Q. Were you there between that time and the time you made the declaration, do you remember?

A. Do you mean the time I was in Calgary?

Q. No, between the time you were there haying and the time you made this declaration, were you at Peever's place?

A. I would not be sure.

Q. You don't remember?

A. No, I don't remember.

Q. Were you equally familiar with the affairs of your neighbours including Beever there?

A. Yes, everybody generally knew how the neighbours were.

Q. You were all homesteaders out there together and knew pretty well much what was doing?

A. Yes.

Mr.Meber:

Q. You said you came down with somebody else from that part of the country, at the time you made that declaration?

A. I don't think so. I don't think I travelled with anyone, I am not sure, but I don't think I did.

Q. Do you know Mr. W. J. Smith?

A. Yes.

Q. Did you have a talk with him as to what you were going to say in this declaration. Did you ever discuss the values that were to be placed on these improvements with Mr W.J. Smith, of the northeast quarter of 16, 29, 25, west of the 4th. Meridian?

A. Sure I met Smith and Mr Peever. We were waiting at the Land Office together.

Q. You all talked about it at the time you were at the Land Office as to the value you were going to swear to, did you not?

A. Oh no, there was no agreement made.

Q. No agreement made, but you knew what each other was going to swear to?

A. No, it was valued according to our best ability, our best knowledge of it.

RF-1

ALBERTA

Q. On the 1st.?

A. Yes.

Q. This well you speak of, what was it like, how deep was it?

A. I don't know, I did not take much notice.

Q. Did you ever look inside of it?

A. I did.

Q. Any water in it?

A. There was and there is yet.

Q. Was there on the 1st. to the 15th. any water in it?

A. Yes.

Q. How much do you value that well at?

A. Somewhere around $25.00, it might be worth much more.

Q. Do you know Mr Stauffner, the Homestead Inspector?

A. Yes.

Q. Does he know anything about the values of property?

A. I think so.

Q. If he values that well at $10.00, what do you say?

A. That would be up to him, that is his opinion.

Q. Do you say he is wrong in valuing it at that?

A. If that is his opinion, alright.

Q. This stable you speak of, what was that worth?

A. There was two stables - sod stable and a frame one.

Q. What was the frame stable like, what shape?

A. Practically square, perhaps a little bit longer one way than the other.

Q. How long was it, do you remember?

A. I expect it would be 16 x 17, or 16 x 18, something like that. I wouldn't say to a foot or two.

Q. Did you ever go on this property after the 12th of October?

A. In what year?

Q. 1908.

A. I have been there many times since that too.

Q. Was that frame stable there on the 12th October?

A. I wont swear whether it was there on the 12th October, 1908, or not.

Q. You seem to know pretty well what was there on the 15th September?

A. Yes.

Q. How do you know that?

A. About that time I was filing on a pre-emption, it was common talk about the pre-emption at that time, and we have a better remembrance of things at that time than any other time, probably.

Q. You don't know whether there was a frame stable there or not, do you?

A. I believe there was.

Q. You believe that some stable was there?

A. There was that one there and I believe there was a frame stable there. There was some change made, I believe, about a frame stable, and a better one put

up later on, but I don't remember whether it was on that date or not.

Q. How do you know that, you have been told that?

A. No, I am telling what I know myself, not what I have been told.

Q. Did you come down to Calgary here on the 15th. of September 1908?

A. I can't remember whether I came to Calgary on that date or on the 13th. or what date.

Q. You made a declaration down here on that date and I presume you came down?

A. Yes.

Q. You might have come the day before?

A. Yes, I might have.

Q. Who did you come with, do you know?

A. I am pretty well acquainted with a lot of people up in that country there.

Q. Do you remember coming down with Hawkins?

A. I came to Calgary with Hawkins on many occasions.

Q. But on that particular occasion when you came to make a declaration as to the value and improvements?

A. I know I came down with him many times. I know Mr. Hawkins pretty well.

Q. Do you remember seeing him making that declaration on the Land Office there as to the value of Peever's improvements?

A. Yes, I made a declaration as to that.

Q. Did you ever discuss the value you were going to make on those improvements with Hawkins?

A. No Sir, didn't discuss them at all, only the party who was taking this down when they asked me, I told them what I considered the thing worth.

Q. There was not any arrangement made at all then between you and Hawkins as to the value?

A. No.

Q. Was this frame stable which you referred to, was it on the homestead on the 1st September, 1908?

A. I believe there was a frame stable there Sir.

Q. If Mr Hawkins made exactly the same declaration as to values for these improvements as you yourself made, what have you got to say as to that?

A. I suppose he has a right to make any valuation he thinks right.

Q. It seems rather peculiar that he should put the same valuation on it, is it not?

A. No, not necessarily.

Mr Muir:

Q. What was the size of the shack?

A. I think it was 10 x 12, or 12 x 14.

Q. What was on the outside of it?

A. Lumber.

Q. Was it lumber on the outside?

A. Yes.

Q. On the 1st.September?

A. Yes, I believe it was double boarded and double tar-papered.

Q. Was it lumber you saw on the outside or tar paper?

A. I saw lumber on the outside.

Q. What was on the inside?

A. I think it was lumber and tar paper. I am just telling you the best I can in reference to this thing, because it is hard to remember.

Q. Your recollection of it is, that it was not tar papered on the outside, but it was lumber?

A. As near as I can remember. It might possibly be. That is the best I can tell you.

Q. Did you notice how deep this well was on the 1st. of September?

A. I did not measure it. I was not interested in the thing at all. I could not tell you.

Q. Did you measure this land that was in crop?

A. I did not measure any of it, but I stepped it off.

Q. And this portion that had the crop on, was fenced, was it not?

A. Yes.

Q. Was the crop on there or was it off when you saw it?

A. It had been in crop.

Q. Was the crop standing on the 1st September do you recollect?

A. I am trying to think whether it was in the shock or how it was.

Q. Or whether it was in the stable?

A. Yes, I can't remember. I would not like to swear to that.

Q. What kind of fence was around the crop part?

A. As near as I can remember Sir, there were posts and two wires, there may be three wires, but I could not swear to it.

Q. You can probably give me an idea of what such fencing would be worth by the rods there or mile, could you?

A. Really I don't know.

Q. Perhaps you have not done any fencing?

A. I have done lots of it but I could not figure out the exact cost of it. I have not got right down to it.

Q. Not to say exact, but what the usual value of fence, we will say?

A. I don't know just now.

Q. Three wires that went around the five acres that you saw?

A. It is hard to say.

Q. What is the ordinary price of material and construction of a three wire fence with willow posts per mile?

A. About One Hundred Dollars less or more.

Q. What do you consider the value of breaking in that part of the country per acre?

A. About $4.00 an acre.

.....

JOHN Y. SHARP, sworn.

Examined by Mr Smith, testified.

Q. Where do you live?

A. The northwest of 24, 29, 6.

Q. Is that near Peever's place?

A. That is a mile and a half north.

Q. Near Wheeler's place?

A. Yes.

Q. Do you know what improvements Peever had on his homestead in September, 1908?

A. I know a little bit about it.

Q. On the 15th September 1908, what breaking had he there, do you know?

A. I would judge there was all the way from eighteen to twenty-five acres.

Q. That would be on the 15th September?

A. Yes.

Q. On the 1st September, 1908, pre-emptions were opened up, were they not?

A. Yes, and closed on the 15th.

Q. So that you are quite clear about that time?

A. Yes.

Q. Did he have a house to live in?

A. Yes Sir.

Q. Was it a habitable house?

A. Yes.

Q. Fit for a man to live in?

A. Yes.

Q. About the same as most of you had out there?

A. Yes, about the same.

Q. What else did he have around there in the way of improvements, did he have any crop?

A. Yes.

Q. How much crop did he have?

A. All the way from four to seven or eight acres.

Q. If people said there was five acres, that might be about right so far as you know?

A. Yes, so far as I know.

Q. What sort of a barn did he have?

A. He had two barns.

Q. What were they like?

A. One was partly sod and the top part was lumber. The top part was boarded up and the roof contained some kind of a top of straw..

Q. Did you examine the roof?

A. No, but there was a roof on it. I don't know whether it was straw or what it was. It was not a shingle roof I know that.

Q. It was not a lumber roof?

A. No, there may have been lumber on top, but the part that was exposed was not lumber.

Q. What was the other stable like?

A. There was room for six or eight horses in it.

Q. What was that built of?

A. Lumber.

Q. What would you say Peever's house was worth?

A. In the neighbourhood of 12 or 14 x 16 or something like that; I had several meals in it.

Q. You think it was some where in the neighbourhood of 12 x 14?

A. Yes, or 12 x 16, somewhere around there.

Q. What was it constructed of?

A. Lumber.

Q. Did you notice anything else about it?

A. No, not particularly.

Q. Do you know what lumber was in it, any tar paper at all?

A. It was papered on the inside.

Q. With tar paper?

A. Yes.

Q. What do you say that house was worth, or do you know what a house like that would be worth?

A. At that time transportation to get lumber across the

country cost considerable. You might build a house in the same place today a lot cheaper. It used to cost Eight or Ten dollars a thousand to haul from Carstairs and I would not want to put the same building up at that time less than $140.00 to $170.00, but I don't know just what the house contained, do you see.

Q. But that lumber had to be hauled from Carstairs by a team?

A. Yes, because I hauled my own and considerable others.

Q. You know that class of work, do you?

A. Yes.

Cross-examined by Mr Maher.

Q. You are a carpenter, are you?

A. I work a little at it - yes.

Q. Ever done any ranching?

A. Yes Sir.

Q. When were you asked to give evidence in this case?

A. I got the paper the day before yesterday.

Q. You got a subpoena, did you?

A. Yes Sir.

Q. Did you ever know you were going to be called as a witness in this case before that?

A. Not definite.

Q. You were never called as a witness about four or five years ago, were you?

A. No. I never was.

Q. So that you have had to make your memory go back to that time?

A. Yes Sir.

Q. How often were you on this place of Reever's?

A. That is pretty hard to remember. It is a few years ago now

Q. You seem to remember quite a lot about it. Were you there on the 15th September 1908?

A. No.

Q. How do you know then what was there on the 15th. of September?

A. When I say "no", I don't know when I was there exactly, don't know whether it was that date or not, but I was there previously.

Q. Were you there on the 15th September 1908?

A. I could not say what dates I was there.

Q. Did you suddenly see a big increase in the amount of breaking on that place?

A. No. He was breaking, I know that, and he has about 100 acres broken now. I suppose he did his work the best he could like the rest of the homesteaders around there.

Q. That breaking you saw, might have been in October, is that not so?

A. No, that isn't so.

Q. You don't know whether it was the 1st. or 15th. of September you saw this breaking?

A. Well, it was along the pre-emption time.

Q. With regard to this sod barn, how much was that worth?

A. I don't know just what size the sod barn was but I would judge the sod barn was from 16 to 20 or 24-feet.

Q. You never thought about what improvements were on that place until you got that subpoena a few days ago, is that not so?

A. No, I never cared.

Q. You never troubled about it?

A. No, of course not.

Mr Muir:

Q. Did you notice whether the plowing you saw was on fenced or unfenced land?

A. As near as I can remember there was some fencing and there was breaking outside of the fence.

Q. How much would you say of the breaking that you refer to was within the fence?

A. I would judge as I said before between four and seven or eight acres in crop, and that was fenced, and the rest was outside.

Q. Did you measure any of it, either what was inside or outside?

A. No Sir, I never did.

Q. This shack, how was it covered on the outside?

A. It was covered as near as I can recollect by 6-inch clapplap.

Q. That would be on the outside of the studding?

A. Yes.

Q. Then on the inside, what studding, did you notice how that was built?

A. There was nothing on the inside of the studding, there was paper between the studding and the first ply of lumber.

Q. And the inside of the studding would show?

A. Yes.

Q. The roof, of the shack, I think they called it a shed roof?

A. Yes.

Q. What do you mean by shed roof?

A. That is the roof sloping one way.

Q. Was it shingles?

A. Yes.

Q. Do you remember the height of this stable made of sod referred to here?

A. No, I can't say the exact height or anything like that. There was sod part way and the rest as near as I can

recollect was lumber, but I have had my horses in and it was high enough to allow horses to get in alright.

Q. Do you remember how you remember the time you were there in September. You say it was the time that this pre-emption was being discussed?

A. Well, Mr Peever and his brother at that time, they helped me move some hay and we charged help.

Q. And that is the reason you remember you were working at that time?

A. Yes Sir.

.....

ROBERT SUTHERLAND, sworn.

Examined by Mr.Smith, testified.

Q. Where do you live?

A. Acme.

Q. Were you living there in 1908?

A. Yes.

Q. In the month of September?

A. Yes.

Q. Do you know Mr Albert Peever here?

A. Yes Sir.

Q. And do you know Mr Alfred Wheeler here?

A. Yes Sir.

Q. Did you get a pre-emption?

A. Yes Sir.

Q. Everybody up there was looking for pre-emptions in September,1908?

A. Yes.

Q. Do you know what improvements Peever had on his homestead on the 15th. day of September, 1908. First let us take the breaking, what breaking did he have?

A. I can't say exact but I would judge that he would have from 20 to 25 acres broken.

Q. How much of that was in crop, do you remember?

A. About half of it I think. I could not say. It is quite a long time ago.

Q. Was any of it fenced?

A. Yes, it was pretty near all fenced.

Q. Did he have a house there?

A. Yes Sir.

Q. What was it?

A. About 12 x 16 or 12 x 14, something like that.

Q. Just a shack?

A. Yes, a house.

Q. Just a homesteader's house?

A. Yes.

Q. Have you ever been in it?

A. Yes Sir, I have.

Q. What was it constructed of?

A. Constructed all of lumber.

Q. Do you know what that would be worth at that time, have you any idea?

A. Well, it ought to be worth from $130.00 to $145.00.

Q. Did he have a barn?

A. Yes Sir.

Q. What kind of a barn was it?

A. A frame stable.

Q. Do you know how many horses it would hold?

A. I think the day I had my horses in it it was seven or eight, now I wouldn't say which.

Q. It would be a frame stable that would hold seven or eight horses?

A. Yes Sir.

Q. Do you know whether he had a well or not?

A. I do Sir, he did have a well.

Q. He had a well there?

A. Yes Sir.

Q. Any other improvements around there?

A. No, I guess that would be about all. Just the house, barn, well and fence.

Q. Just one barn or more than one?

A. There was a sod stable there too.

Q. Was that fit to hold horses?

A. Yes, Albert Peever had a couple of his own horses in there, at the time I was there.

Q. Was this house of his fit to live in, was it a habitable house?

A. Yes Sir, it was.

Q. Was it about the same as you had yourself?

A. It was a little better than my own.

Q. And you were a homesteader?

A. Yes Sir.

Q. And applied for a pre-emption?

A. Yes.

Q. And you got it, did you not?

A. Yes Sir.

Cross-examined by Mr. Maher.

Q. Were you particular interested in this Peever homestead at that time - in September 1908?

A. No Sir, nothing more than a neighbour.

Q. When did you get a subpoena?

A. I got the subpoena on Monday.

Q. You did not know whether you were going to be called upon to give evidence, did you?

A. I did not, I was very much surprised to be called on.

Q. Do you know any other homesteads around there?

A. Yes.

Q. Do you know what improvements Wheeler or Peever had on their homesteads on 15th September last?

A. Well, I could give you a pretty good recollection of it.

Q. Will you tell me what amount of land was broken on Peever's place on the 1st day of September 1908?

A. I think he had somewhere between Nine and Ten acres broke.

Q. Did you see it?

A. I did Sir.

Q. You saw it on [illegible] 1st. September and 15th September, did you?

A. Yes somewhere [illegible] the neighbourhood. A man could not tell unless he [illegible] measured it.

Q. What was the [illegible] of this plowed land?

A. It was in the [illegible] stubble and some of it just plowed.

Q. Was it oblong [illegible] square or what, what was the shape of it?

A. It was in a square.

Q. Was it fenced?

A. Partly fenced.

Q. Any of it in [illegible] crop?

A. Part of it in [illegible] crop.

Q. How much of it.

A. I could not exactly say. I think about six or seven acres. I could [illegible] not exactly say, but there was somewhere in that neighbourhood, six or seven acres in crop.

Q. Do you know if [illegible] had a well on his place?

A. I do Sir.

Q. What was the [illegible] of it?

A. It must have been 4½ feet and there was lots of water in it.

Q. Was there a [illegible] glass and bucket to get the water out with?

A. Yes Sir.

Q. What do you say the shape of this frame stable was, what was it built of?

A. Built of lumber.

Q. What kind of lumber?

A. I could not say, just boards 2 x 4 and 2 x 6's.

Q. Got a loft to it?

A. No, there were very few lofts in that country.

Q. Was the roof flat on top?

A. I could not say whether it was flat or slanted or which way it was. I just rode in there and put in my horses.

Q. How many horses would it hold?

A. I think there was seven head in there when mine was in there that day.

Q. Do you know about that frame barn?

A. No.

Q. You don't know who built it?

A. No Sir.

Q. When did you first go on Mr Peever's place, when did you first notice that frame barn there?

A. It was along in the summer some time. We live quite a bit apart, and I was out there of and on, and I could not exactly tell the first time I noticed that barn there.

Q. Did you ever go inside that shack?

A. Yes Sir.

Q. What was it like inside?

A. Comfortable.

Q. Was it papered?

A. Very few batchelor shacks are papered up.

Q. Any tar paper about it?

A. I could not tell you Sir.

Q. Do you know if it had a slanting roof?

A. I think it was a slanting roof but I am not sure.

Q. What was this sod barn like, how high was it?

A. I could not exactly say how high it was. It was very comfortable, I know, for a few horses to be in there.

Q. You could walk in?

A. Yes - certainly.

Q. Was it Ten feet high?

A. No Sir.

Q. Was it Eight feet?

A. About Seven or Eight feet I would judge.

Q. How much would it cost to dig a well like that one there that you saw?

A. It would cost him about $25.00 or $30.00.

Q. How far down do you have to go to get water?

A. Where?

Q. In that part of the country?

A. From 22 to 30 feet.

Q. Where were you living on the 15th September, 1918?

A. I was living on the northwest quarter of 36, [illegible], 26, that is my homestead.

Q. What did you happen to be doing at Peever's place that

day; by the way was Mr Peever there?

A. Yes, he was in around there. I was around back and forth and me and Peever had been intimate friends all the time, we have been neighbours.

Q. Were you there on the 2nd September as well?

A. No Sir, not that I know of.

Q. Was Peever there on the 1st. as well?

A. I could not say.

Q. And you are quite sure he was there on the 15th.?

A. Round about the 15th - yes.

Mr Muir:

Q. What was the size of this shack?

A. I think it was 12 x 16 or 14 x 16, I could not exactly say. I never measured. It is just a rought estimation of it that's all.

Q. What was on the inside?

A. Shiplap, I think.

Q. You have been in it, I suppose?

A. I have Sir.

Q. What was on the inside?

A. Just lumber. I could not exactly say what it was now.

Q. Do you remember whether it was boarded on the inside or not?

A. No I don't.

Q. Do you remember what kind of fence it was round the portion that was fenced?

Q. Three wire fence, a good fence.

Q. You say you remember on the 15th September you were there, or round about the 15th.?

A. I could not exactly say it was the 15th. because I don't know, but it was round about the 15th.

Q. Was there any plowing going on, on the occasion that you were there?

A. No, there was nobody plowing when I was there.

Q. There was a sod stable there to, you say?

A. Yes.

Q. Was it sod all the way up to the height you referred to, so that it could accomodate the horses?

A. No, I don't believe it was sods all the way up.

Q. How was it then?

A. Sod part of the way and lumber part of the way, as far as I can recollect.

Q. Do you remember whether it was roofed then?

A. Yes, it was.

Q. What kind of roof was it?

A. A flat straw roof as near as I can correctly remember.

Q. Had the crop been taken off the portion that was in crop when you saw it, or was it still there?

A. It was in stubble when I saw it.

Q. The crop had been removed?

A. Yes.

Mr Haber:

Q. Did you see any of the crop that came off that?

A. No, I did not.

Q. Wasn't it in the stable where you put your horses?

A. No Sir, not that I saw.

.....

GEORGE DAVID THOMIER, sworn.

Examined by Mr.Smith, testified.

Q. Where do you live?

A. Acme right now.

Q. Where did you live in 1908?

A. On section 2, 29, 26.

Q. You were a homesteader?

A. Yes.

Q. Did you get a pre-emption?

A. No Sir.

Q. You did not get one?

A. No.

Q. Do you know Albert Peever here?

A. Yes Sir.

Q. And Mr Wheeler sitting beside you?

A. Yes Sir.

Q. Did you make a declaration when Mr Wheeler applied for his pre-emption entry?

A. No Sir.

Q. Do you remember the time when people were applying for pre-emptions out there?

A. Yes Sir.

Q. What date was the pre-emption business thrown open?

A. I think about the 1st November or 1st December, I know it was one of those months around there.

Q. When were you on Peever's place?

A. In the fall.

Q. When, do you know?

A. I was on it just about between the 1st. and 15th.

Q. Do you remember when Peever went to Calgary to make his application?

A. Yes.

Q. Were you on about that time?

A. Yes.

Q. What improvements did Peever have on his place at that time?

A. A little bit of breaking and a barn and house and well and he had the breaking fenced, I believe.

Q. Do you remember what part of the month that was?

A. That was along about the first.

Q. Along the first of the month?

A. Yes.

Q. About how much breaking would he have at that time?

A. About six acres inside of the field and a little outside of the field, about 20 or 25 acres. It was strung out,

Q. You could not swear what time it was?

A. No, only it was between the 1st. and 15th.

Cross-examined by Mr.Mater.

Q. I think you said you were on Peever's place between the 1st. and 15th. September, 1908?

A. Yes.

Q. See anybody working there?

A. Yes.

Q. Who was it?

A. I have seen Mr Albert Peever working there myself.

Q. What was he doing there?

A. Fixing up some breaking.

Q. How many horses did he have working there?

A. He was working a four horse team when I saw him.

Q. How often were you over Peever's place?

A. I used to be over there quite often because we had a bunch of cattle out there and he used to ranch out there and whenever I was out riding, I would be by the place.

Q. Were you over at Buschert's place out there?

A. Yes.

Q. What improvements did he have out there?

A. House and barn.

Q. Had he a well?

A. Yes, I think he had.

Q. Did you ever go inside Peever's shack?

A. Yes.

Q. Was it papered inside?

A. Yes Sir, it was papered with white paper, part of it, and newspapers - part of it for a while.

Q. Whenever you went over to his place, where did you put your horses?

A. I never stopped there much time and usually spoke to him when on horseback, when I met him.

Q. Do you know how many acres he had broken on the 1st. of September?

A. I don't know I'm sure whether he had some broken on the first. I wouldn't like to be sure how much, but he had this piece inside of the fence I spoke about, he had that broke.

Q. Did you suddenly see a big increase in the amount of breaking on that place?

A. He put some on that summer and has put some on since.

Q. Did you see him breaking since the 15th September?

A. Yes, there was a man breaking last summer.

Q. I mean shortly after that?

A. I can't say that I did. I was away threshing through

the fall and it was just after pre-emption time we started out.

Q. With regard to this well on Peever's place, how big was that well?

A. I think from the look of it, it is 3½ft. or 4-feet, it has a square crib in it.

Q. Did you ever look inside?

A. I cleaned it out once; I remember that.

Q. I mean at that time?

A. No, I didn't clean it out then.

Q. How deep was it?

A. At that time I could not say how deep it was, because I never measured it.

Q. Did you ever draw any water out of it?

A. I can't say that I drew water out at that time.

Q. Was there any water in it to draw?

A. That is the reason I can't tell you how deep it was.

Q. I mean between the 1st and 15th September, was there water there?

A. Yes.

Q. When was the water there?

A. Shortly after the first of the month.

Q. With regard to this sod stable, did you go inside that?

A. Yes, I have been in there.

Q. What was in there do you know?

A. Mangers and stalls, and inside fictures for a barn.

Q. Was that where they kept the horses?

A. Yes.

Q. Any other buildings there?

A. The time I was inside of this, was pretty near a year after this.

Q. Between the 1st. and 15th. September, what was in this stable?

A. I don't believe I was in it between those times.

Q. What was this sod stable like in September 1908?

A. In the years I can remember, it was sodded up about 4-feet high and there was lumber from that on up, I would suppose from the look of it, from 8feet to 9-feet high.

Q. When you were there in September, was there any grain inside of it?

A. I don't know whether there was or not.

.....

ALBERT FEEVER, sworn.

Examined by Mr.Smith, testified.

Q. You homesteaded near Acme?

A. Yes Sir, I did.

Q. What is your homestead?

A. Northeast quarter of 12, 29, 26, West of the 4th Meridian.

Q. And you were later granted pre-emption?

A. Yes.

Q. What was that land?

A. Southwest of 7, 29, 25, west of the 4th meridian.

Q. Do you remember the date that you made entry for that pre-emption?

A. Yes Sir.

Q. What date was it?

A. On the 15th September.

Q. What year?

A. 1908.

Q. 15th September 1908?

A. Yes.

Q. What improvements had you on your homestead at that time. We will first take the breaking, how much breaking did you have?

A. I had somewhere in the neighbourhood of 20 acres.

Q. Are you telling definite about that?

A. No, I am not.

Q. Did you have over 15 acres?

A. Yes, I did.

Q. And you think you had in the neighbourhood of 20 acres broken at that time?

A. Yes.

Q. What sort of a house did you have?

A. A frame house.

Q. What size was it?

A. 10 x 12.

Q. What was it built of?

A. Lumber.

Q. How many ply?

A. Two ply.

Q. Anything else?

A. Two ply paper.

Q. What was on the outside?

A. Lumber.

Q. Where was the paper?

A. There was paper between the lumber.

Q. What sort of a roof did you have on it?

A. Shingle roof.

Q. Flat or sloping?

A. Sloping.

Q. Where did you bring that lumber from?

A. Carstairs.

Q. Did you team it yourself?

A. Yes Sir.

Q. What would you say was the value of the house you had on your homestead at that time?

A. I would value it somewheres about $150.00.

Q. How much breaking did you have on there on the 1st. September, 1908?

A. Between eight and ten acres.

Q. Any fencing?

A. Yes

Q. How much fencing?

A. About six or seven acres, I guess.

Q. Any crop?

A. Yes somewheres in the neighbourhood of five or six acres.

Q. You had five or six acres of crop?

A. Yes.

Q. What else did you have there?

A. Got stable.

Q. How high were the sods?

A. When it was built, it was about 7-feet high, but the cattle got in and tore one side down and I had to put lumber in then where it had been torn down.

Q. Did you have a roof on that?

A. Yes.

Q. What kind of a roof?

A. Poles and bush and straw.

Q. That was the roof you had on your sod stable, made of poles and bush and straw?

A. Yes Sir.

Q. Did you have any other stable on the 15th September, 1911 there?

A. Yes.

Q. What kind of barn was that?

A. Frame stable.

Q. What about the hay slide, tell us about that?

A. I built it over into a barn that time, I don't know whether it was there before the 1st September or not, it was in that place but I had finished repairing on it between the 1st. and 15th.

Q. That you built your hay slide into a frame barn?

A. Yes.

Q. What kind of a well did you have there?

A. I have the same well yet. Of course it is different now. I didn't have the cribbing on it then.

Q. Do you know the measurements of it?

A. It is not a very deep well. I don't suppose it is over 18-feet deep.

Q. Have you any water in it?

A. Yes, about 8-feet of water.

Q. Is it a good well or poor one?

A. A good well.

Q. Did you have water in it between the 1st and 15th September 1911?

A. I am not sure. It was not cribbed then and it caved in

one time, and I don't know whether I had it cleaned out at that time or not, but I had it cleaned out.

Q. What stock did you have?

A. Three head of horses.

Q. Were you using any more?

A. Yes Sir, those were my own.

Q. What more were you using?

A. I had some of my brother's and some of Mr Barker's.

Q. We heard something about the breaking that was done between the 1st. and 15th. September, what about that?

A. Yes I broke quite a bit about the 1st. I had two teams on there.

Q. How many horse teams?

A. Four.

Q. You had two four-horse-teams breaking between the 1st. and 15th September, 1908?

A. Yes.

Q. And on the 1st., you had about ten acres broken?

A. Yes.

Q. And twenty acres broken on the 15th?

A. Yes.

Q. Would the difference be broken when you were working on these two outfits?

A. Yes.

Q. Were any inspections made at your place by the Inspectors of the Dominion Lands Department?

A. Yes, at different times.

Q. As a result of that, did you, or did you not, get a pre-emption?

A. I got my patent for my homestead and pre-emption.

Q. Did Mr Wheeler do anything with regard to your homestead at all?

A. Certainly. I went to file on pre-emption and he filed a contest against my homestead.

Q. Was that disposed of?

A. Yes.

Q. With what result? Did you get your homestead, or did you not?

A. I got my homestead.

Q. Has this matter ever been investigated before this time?

A. Well, yes, it has been up before. Wheeler had it up once before.

Q. Did you have any witnesses yourself appear?

A. Yes.

Q. Tell us about this investigation at that time?

A. After the 15th.?

Q. Yes, or before the 15th.?

A. Well, Mr Wheeler had three of us subpoenaed for perjury for the time that I filed on my pre-emption on the 15th September.

Q. What was the result of that. Were you convicted or was it dismissed?

A. It was dismissed. I had to fetch my men to Crossfield in the winter time, and fetch them here to Calgary. It was dismissed in Crossfield, and I fetched them down to Calgary.

Q. Now, we have heard something about that it cost you $[illegible] to get your pre-emption?

A. At that time?

Q. Yes.

A. No, it never cost me $100.00 at that time. It just cost me Ten dollars to file, that's all.

Q. Did you have to pay the way of anybody's railroad fares?

A. I did. I think it was in January, the time Wheeler had us subpoenaed up for perjury.

Q. Has this whole business in connection with your homestead and pre-emption with Wheeler cost you any money or has it not?

A. It has cost me a lot of money.

Q. It is costing you money now?

A. Yes.

Q. What would you say was the value of that house of yours?

A. About $[illegible].00.

Q. Do you remember what you said it was worth when you made your declaration?

A. I don't remember now.

Q. What improvements have you on your farm there now?

A. I have a house 14 x 16, a two storey house, 100 acres

under cultivation and all fenced.

Q. Have you got a barn?

A. Yes 16 x 20.

Q. On the 15th September, what would that frame barn you had now many horses would it hold?

A. Seven or eight head of horses.

Q. Was that shack you had there habitable to live in?

A. Yes I lived in it the winter before.

Q. Did you live in it the winter of 1908?

A. Yes

Q. Lived in it for some time didn't you?

A. Yes.

Q. What would your sod barn be worth in September 1908?

A. I think it was worth about $150.00.

Q. Was the improvements on your homestead much advanced compared with the other homesteaders around there in September 1908?

A. I think so.

Q. Are you familiar with what they had?

A. Yes, I had more improvements than some of them had got who got pre-emptions at that time.

Q. Has there been any difficulty between you and Wheeler outside of this thing?

A. Yes, there was quite a little bit.

Q. What did it arise over?

A. I was making hay a few miles from the place and I used to stay there over night, and I had a tent where I was

[illegible] the hay to save me the trouble of coming home, [illegible] cattle went and got in and eat up my grain, and they used to lie right in there in the daytime when I was at work away from there, and I went down and saw him about on a Sunday about it.

Q. You had some difficulty over his cattle being in your grain?

A. Yes.

Q. Has Fowler ever been a friend of yours up there?

A. Yes, when he first came there and got burnt out, we made [illegible] of socials for him to help him out.

Q. Apart from the time of this cattle incident on, has he been a friend of yours?

A. No, not since that.

Q. When was this cattle incident?

A. The summer of 1906.

Cross-examined by Mr Maher.

Q. When was it you said you made your homestead entry?

A. In 1905.

Q. When did you do your first piece of breaking?

A. In 1907.

Q. You let three years go by without doing any?

A. I had two years before I came on, and I wired up here to know if it was still open, and they wired back yes,

for me to come on.

Q. Did you make an application for pre-emption on this quarter section, about which this inquiry is at the Land Office on the 1st September 1908 at Calgary?

A. I went in to do so, but Mr Wheeler was in before me and filed a contest against my homestead.

Q. What was the reason they refused to give you the pre-emption then?

A. On account of Wheeler filing that protest.

Q. That was on the 1st September 1908?

A. Yes.

Q. Was your homestead in good standing then?

A. I guess so.

Q. Wasn't it subject to cancellation?

A. Not that I know of.

Q. Had you 15 acres broken on the 1st September 1908?

A. There was 5 acres on the 12th. and there was somewheres between 8 and 10 acres altogether on the 15th.

Q. I am talking about the 1st September,1908, had you 15 acres broken at that time?

A. No, there was only about eight acres broken.

Q. Is it not a fact that you had not done what was necessary to get the pre-emption on the 1st September on your own homestead?

Mr Smith: I object to that, his declaration is on file there.

Mr [illegible]

Q. Do you remember making a declaration at the Land Office on the 1st September, 1908?

A. Yes Sir.

Q. Do you know what you declared in that declaration?

A. I know pretty near.

Q. Do you remember whether you stated that you had five acres cropped?

A. Yes

Q. What did you go down to the Land Office again after the 1st September 1908?

A. I think it was on the night of the 14th.

Q. You were not down there between the 1st. and 14th. September, 1908, were you?

A. I don't think so.

Q. What did you do on the 14th September 1908?

A. I think I went to Calgary on that day. It was the 14th. or 15th. I went down.

Q. And the next morning, what did you do?

A. I made out a declaration of what I had on my place at that time.

Q. How much breaking had you got then, can you say?

A. Somewhere in the neighbourhood of 30 acres.

Q. How much of that was broken between the 1st. and 5th. September 1908?

A. Something over ten acres.

Q. Did you do that yourself?

A. No, not all.

Q. Did [illegible] of it yourself?

A. I [illegible].

Q. [illegible] 3rd September 1908?

A. I [illegible] coming from Calgary.

Q. [illegible]

A. Yes.

Q. Where [illegible] 8th September, 1908?

A. I don't [illegible].

Q. Do you [illegible] at Crossfield at the Police Court there?

A. In [illegible].

Q. Yes.

A. Yes, [illegible] that time, although I don't remember [illegible].

Q. Do you [illegible] at Crossfield again, the 14th. September?

A. Yes.

Q. And then you went to Calgary again on the 4.?

A. [illegible] from Crossfield.

Q. So that [illegible] breaking yourself, you?

A. No, not [illegible].

Q. Who did the breaking?

A. My brother.

Q. Is he here [illegible]?

A. No.

Q. Where [illegible]?

A. At home.

Q. Why didn't you bring him down here with you to give evidence on this inquiry?

A. I didn't want to bring any relations down with me.

Q. You have not thought it fit to bring the man who did the breaking here?

A. If it was necessary, I would have done so.

Q. How much breaking did you do for the next two or three months after the 15th September 1908?

A. 1½ or 2 acres, something like that.

Q. Do you remember having a conversation in a livery barn at Crossfield?

A. No, I don't remember any, but I have been in the barn several times having my horses in.

Q. Do you deny making any such statement as McLean said?

A. I deny making such astatement, that it cost me $100.00, my pre-emption.

Q. You remember Mr.Earle giving evidence here about building a stable for you?

A. Yes.

Q. When was that?

A. I don't remember the date.

Q. Was that done before the 15th September?

A. After the 15th.

Q. As a matter of fact, was this frame stable you swear you had on your place on the 15th. there at that time?

A. Yes Sir.

Q. As a matter of fact, wasn't that the stable built by Mr Earle?

A. No Sir.

Q. It was not?

A. No Sir, there might have been some of the lumber in it. We moved the other barn off the place some time after, I don't just know what date.

Q. When was this frame stable built, the one referred to in your declaration?

A. I can't tell you now.

Q. Was it there on the 1st September 1908?

A. It might have been there but it was not finished up with lumber.

Q. You don't know whether it was there or not on the 1st September?

A. I am not sure.

Q. Who put it there?

A. I did.

Q. Put it there yourself?

A. Yes.

Q. It was a hayrack was it not, turned into a barn?

A. Yes.

Q. Where did you bring it from?

A. I had it since the summer before do you see?

Q. It was an implement for haying, wasn't it? It was not a building at all?

A. It was movable before that, for I had it made into a stable at that time I had my horses there.

Q. How long before the 15th September 1908, I want to know?

A. I am not sure.

Q. How long before the 1st September?

A. I don't know. I don't know just what date it was built.

Q. With regard to this shack, did you live in it?

A. Yes Sir.

Q. How long had you lived in it before the 1st September, 1908?

A. I had lived in it two winters before, I think. I lived on it all the time from the time I came on to the homestead, only I was off a few months the first summer. It was built in 1906, I think.

Q. Wasn't that homestead of yours subject to cancellation before you came down here to the Land Office?

A. Not that I know of.

Q. For not completing your duties on it?

A. I had completed my duties.

Q. But I mean on the 1st September 1908. Wasn't that the reason they did not give it you?

A. Well, Mr Wheeler filed a contest and I would not have had any trouble getting that pre-emption on that date only for that. That was on the first.

Q. You are quite sure, are you, that there was no cancellation standing against you before the first of September 1908?

... Not that I know of, and they didn't know it in the Land Office. When Mr Wheeler filed that contest, I was half ways up the stairs, and the man in the Land Office came down and said, isn't yours cancelled, and I said it was not.

Q. Were you not informed at the Land Office that they would not give you an entry on the 15th September?

A. No Sir, I was not.

Q. What made you think you would get it on the 15th of September?

A. If my improvements were there, I didn't see why I should not get it.

Q. You knew then on the 1st. that your improvements were not sufficient?

A. Well - I didn't know it.

Q. What made you hurry up and break this extra land all between the 1st and 15th September 1908?

A. To get my pre-emption.

Q. You tried to get it on the 1st September, didn't you?

A. I went in to get it on the 1st. - yes.

Q. Didn't they inform you that you had not got enough breaking done?

A. No, they did not.

Q. What made you hurry up and get this extra breaking done that was done?

A. For to get my pre-emption.

Q. Didn't you expect to get it on the 1st.?

A. Yes, sure I did.

Q. Why did you do the extra breaking then, if you think you could get it on the 1st September?

A. Certainly I could have got it on the 1st. if he hadn't filed a contest against my homestead.

Q. What were the grounds of his contest?

A. I don't know.

Q. With regard to this well, was that completed on the 1st September?

A. No.

Q. Was it completed on the 15th September 1908?

A. It was just the same, only it had caved in. There wasn't no box there.

Q. Was there any water in it?

A. Yes, different times.

Q. Was there any water in it on the 15th September 1908?

A. I am not sure whether there was any water there then or not.

Q. Was there any pail there to get water out with?

A. Yes, there was a pail there.

Q. How deep was it?

A. Somewhere about 10 or 15 feet deep.

Q. Did you dig it yourself?

A. I am not sure whether I had anyone help me dig it or not.

Q. Did you dig that sod barn yourself?

A. Part of it, and I had someone help me.

Q. Did you build that shack yourself?

A. No.

Q. Did you do that fencing yourself?

A. Yes, I did.

Q. But you did not do any of the breaking between the 1st. and 15th September 1908?

A. Yes, I did some of it. I had someone else do it for me.

Examined by Mr.Muir, Commissioner.

Q. Do you remember why you did not get your pre-emption on the 1st September 1908?

A. Yes Sir.

Q. I think you said it was because Mr Wheeler had filed some objection to it?

A. Yes Sir.

Q. Mr Wheeler and you were both there at the Land Office on the 1st September?

A. Yes Sir.

Q. Did you know that Wheeler had made application for pre-emption for this same land?

A. No, I didn't know anything about it until I went in to file on my own pre-emption.

Q. Did you find out then that Wheeler had made an application for the same land?

A. I found that he had filed a contest againt my homestead.

Q. And you did not know that he was making an application to get it for himself?

A. No, I did not. I didn't know that until later on.

Q. Do you know what the lumber in your shack cost you?

A. I am not sure now. I have not kept any track of what it cost.

Q. I think you said you got it built by somebody else. Do you know how much you paid to get it built?

A. No, I don't know how much I paid to get it built. I had a man helping me, and I built part of it myself.

Q. But you don't know how much you paid for the work?

A. No.

Q. On the 1st September 1908, there was a portion of your land fenced in?

A. Yes Sir.

Q. Within which was a crop?

A. Yes.

Q. Were the buildings also within that enclosure?

A. Yes Sir.

Q. It took in your shack too, didn't it?

A. Yes.

Q. And the sod building?

A. Yes.

Q. And another building that you had?

A. Yes.

Q. Had you another building at that time besides these?

A. Yes, a stable.

Q. And it was all enclosed in that fence?

A. Yes.

Q. Did you ever measure that fence that enclosed the portion of land you have referred to?

A. No Sir, I did not.

Q. Never measured it yet?

A. No Sir.

Q. You knew that there was a dispute about it didn't you, about the quantity that was in that for instance?

A. Yes, after that time I did.

. Is the fence there yet?

A. Oh no, it is different now. All the place is fenced now. It would be pretty hard to go ahead and measure it.

Q. It would be pretty hard to go ahead and measure the quantity enclosed in that fence?

A. Yes/

Q. Is that fence all down?

A. That fence is not there at all. I fenced it all the next Spring.

Q. Could you give me any idea of the size of this enclosure in September 1908, of this part that was enclosed with a fence. Could you give me the dimensions of the fence, the length and breadth and so on, how broad would it be?

A. I don't know, I paid for breaking five acres the first year I came up, and there was a part inside this fence

that was not broke, and that is how I am sure there was somewheres in the neighbourhood of six acres fenced, some whores like that.

Q. You say that you paid for five acres of breaking?

A. Yes Sir, the first year.

Q. And that was the breaking that was there on the 1st. September?

A. Yes, that was under crop.

Q. So that that would likely be about the correct amount of breaking on the 1st September, the five acres you paid for?

A. There was more.

Q. No, but that part within the fence I mean?

A. Oh yes, inside the fence.

Q. When did you first commence to break outside of the fence?

A. I broke some in May.

Q. The previous May?

A. Yes, that same year in May; oh no, it was June.

Q. June 1908?

A. Yes.

Q. Are you sure of that?

A. Yes, I am sure it was 1908. That was the year of the pre-emption.

Q. Are you sure it was prior to September 1908 that this first portion was broken in addition to the five acres?

A. I don't understand you.

Q. I understand that in the first place there was five acres broken on your homestead which was that other land enclosed by a fence?

A. Yes.

Q. Then I understand that at the same time an additional portion had been broken outside of this fence?

A. Yes.

Q. And I want to know when was the first piece broken outside of the five acre enclosure?

A. That same year, I think it was somewhere in June.

Q. In June?

A. Yes.

Q. How much of it was broken outside of the enclosure in June?

A. I don't just remember. Is that the 1st September you mean?

Q. Well, prior to 1st September we will take it?

A. Somewheres between Four and Five acres.

Q. Was that paid for by you or broken by you?

A. Part of it.

Q. You will remember then what quantity you paid for?

A. Yes.

Q. What quantity of breaking outside of the fence before September 1st. was paid for?

A. I don't just remember how much I paid for on that breaking, my brother did it.

Q. Probably that would account for your not knowing the quantity, because probably he didn't charge you for it?

A. I don't just know what it cost me.

Q. But you think it was how many acres?

A. On the 1st September?

Q. Yes.

A. Between four and five acres outside the fence.

Q. You knew that this was a matter in dispute, - about the quantity of breaking that you had done in order to entitle you to your pre-emption?

A. After the 1st.?

Q. At any time, when you got your pre-emption, that that was one of the instances that was in dispute as to the quantity of breaking you had done?

A. Yes, I knew it was something like that, that he put in against me.

Q. You knew that that was one of the points in dispute?

A. Yes.

Q. The quantity which was done that would entitle you to pre-emption?

A. Yes.

Q. Where is your brother?

A. He lives at Acme.

Q. Wouldn't he know better than anyone else what that quantity was, seeing he was engaged in the plowing of it?

A. I guess he would have a pretty good idea.

Q. Wouldn't he have the very best idea?

A. Yes I think so.

Q. Why didn't you bring him here as a witness?

A. I didn't think it was necessary to fetch him.

Q. You didn't think it was necessary to fetch him?

A. No.

Q. Did you ever measure the part outside of the fencing that was plowed before the 1st. of September?

A. No, I did not.

Q. You never actually measured it?

A. No Sir.

Q. Was it any one piece or was it in strips?

A. There were some ridges not finished, you see.

Q. There were some portions of it that would not be completely plowed?

A. Yes.

Q. Couldn't you have gone on the ground now from your knowledge of the whole situation and measured how much was in the enclosure and how much was outside of it on the 1st of September 1908?

A. Yes I could pretty near.

Q. I mean you could do it by stepping?

A. Yes.

Q. Did you try to do that?

A. I never did only by the trail seeding it.

Q. I mean even at this late date, could you not have gone out from your knowledge of the whole situation, have actually measured that off, either by stepping or chaining, or some other way?

A. Well, you could not come right near it on account of the stubble and you wouldn't know exactly what it was but I would have a pretty good idea.

Q. You could have got a pretty good idea then within an acre of the actual amount of plowing that was there on the 1st September 1908?

A. Yes.

Q. Why didn't you do that?

A. I would have got somebody else to do it. If I did go and step it, I wouldn't be able to figure it out for myself.

Q. You could have given us the number of steps and about the length of your step, and it would have been a comparatively easy matter then to have figured it out, wouldn't it?

A. Yes I suppose it would.

Q. I am asking this, because I understand that this was one of the objections to your getting the pre-emption, that the amount of plowing required to be on your homestead

was not actually on your homestead at the time - on the 1st of September, 1908?

A. Yes, at the 1st September, I understand.

Q. Did you measure them by stepping or in some other way how much of the plowing was done by the 15th. of September from what you know of the ground?

A. No, I didn't measure it.

Q. Understand, I don't mean measuring with a foot rule or measuring with a chain, but by stepping?

A. Only just by walking over it.

Q. You know it by walking over it?

A. Yes.

Q. Because didn't you think that you and your brother would have been in a position before this inquiry to have established with almost certainty the amount of plowing that was there on the 1st. and the amount of plowing that was there on the 15th.?

A. The only thing I have it by, is the trail, that measures the acres, you see, that I have been seeding over.

Q. But you have been plowing every year?

A. Yes.

Q. And it would be different every year?

A. Yes, but as far as that you see.

Q. Yes, I daresay you could arrive at a sufficiently close idea of the amount of the broken land by your seed drill?

A. Yes.

Q. You had a crop in the enclosed portion in 1908?

A. Yes.

Q. How much undercrop had you in, in 1909, by your seed drill?

A. 1909, I didn't seed with the seed drill.

Q. So that you cannot tell me then by your seed drill how much you had in 1909?

A. I had about 25 acres in 1909.

Q. Did you measure it?

A. No I did not.

Q. Did you ascertain it by your seed drill that you remember?

A. I seeded it by hand that year.

Q. In 1910, did you have more land under cultivation or broken than you had in 1909?

A. I think I broke about 60 or 75 acres.

Q. Was that in addition, or that you had that altogether?

A. Altogether.

Q. So that that would make an addition of about 50 acres in 1910?

A. Yes.

Q. Are you giving me that information by the area established by the seed drill?

A. Yes.

Q. Tell me how you know how much land is sowed by your seed drill?

A. It counts the acres, you see.

Q. It does count the acres?

A. Yes.

Q. And there is something on the machine to indicate the number of acres?

A. Yes.

Q. But unfortunately you hadn't that in either 1908 or 1909?

A. No Sir.

Q. From what you say and what I see by the documents, this question of your right to that pre-emption has been in dispute for some time. I think you told me of two enquiries that had been made?

A. Yes.

Q. What did you understand was the objection to your right to this pre-emption?

A. That I was not in good standing or something like that. They wrote to me from Ottawa that the Inspector was coming out.

Q. In what respect did you understand that you were not in good standing to secure your pre-emption?

A. They put in a complain in every way, that I didn't have the buildings on and everything.

Q. That you hadn't sufficient value of buildings, I suppose that was one?

A. Yes.

Q. What others?

A. The breaking.

Q. Any others?

A. No, I don't think there was anything else.

Q. So that you knew that the matter in dispute was the value and quantity of your improvements?

A. At that time - yes.

Q. Did you ever hear that there was any other objection to your getting the pre-emption and that you hadn't the necessary improvements in the way of breaking and buildings?

A. No.

Q. Would it have taken you long now to have actually gone and measured it yourself or got someone to measure the quantity of breaking for instance?

A. No, I don't suppose it would take me long.

Q. Can you explain why you did not do that, knowing that that was the question to be investigated?

A. Well, I was sure that I had that much there, and that is the reason I did not do it.

Q. But you cannot tell me how you arrive at it by giving me for instance the dimensions of your land within the fence or by giving me the dimensions of the broken land outside of the fence on the 1st September or up to the 15th.?

A. Well - what I paid the year before.

Q. Then we will take it for granted that there was five acres broken land within that enclosure?

A. Yes, somewheres between five and six acres.

Q. You paid for five?

A. Yes.

Q. The man would charge you for the full amount he broke?

A. Well, it was my brother that broke it and he might not.

Q. How much did you pay him?

A. I don't remember now.

Q. You heard some of the witnesses referring to this shack describe it as papered on the outside?

A. Yes.

Q. You say it was boards on the outside?

A. Yes.

Q. Would you know that it was boards that was on the outside?

A. Yes.

Q. And the paper was within?

A. Yes, two ply paper.

Q. And you would see it from the inside?

A. You would see one ply from the inside.

Q. You would know from the inside it was papered?

A. Yes.

Q. But on the outside, you would not describe it as papered on the outside?

A. No.

Q. Can you give me some rough idea of the shape of the land that was in that enclosure that was fenced on your homestead, was it out of the corners of the quarter section or on the inside?

A. It was inside.

Q. It didn't follow any of the boundaries of the quarter section?

A. No.

Q. We will take that side, on the north, what length would that be about?

A. I don't know how many rod it would be. It was longer this way.

Q. It was longer going north and south?

A. Yes.

Q. On the west side, can you tell me the length of that fence?

A. I could not tell you just how long it was.

Q. Tell me as nearly as you can what length you would consider it?

A. I don't know just know how many rods. I haven't a very good education myself, and it is no use me saying.

Q. Could you tell me in yards or in feet or for instance fractions of a mile. Was it a quarter of a mile or half a mile or what?

A. Quarter of a mile altogether.

Q. You think it would be quarter of a mile on the longer side?

A. Yes, maybe a little better.

Q. And that would be as near as you could come to it?

A. Yes.

Q. Then on this shorter boundary line on the north, can you tell me what length that would be? Take it compared with the long side?

A. It was not quite as wide, but there wasn't an awful distance I don't think.

Q. There was not a very great difference?

A. No.

Q. Then it would be fairly near being square?

A. Yes, but just a little longer than the width.

Q. A little longer than the width?

A. Yes.

Q. Is any portion of that fence that was [illegible] still [illegible]

A. Only the line fence on the road.

Q. Is that on the south?

A. Yes.

Q. That is there yet?

A. Yes.

Q. Is there any part of the fence that enclosed that five acre piece on the ground yet?

. On the line.

Q. You mean on the north side, it was on the line?

A. Yes.

Q. That is still there?

A. Yes.

Q. Couldn't you have measured that portion so as to give us an idea?

A. This fence that was on the west side was swung around to be on a line with the ones on the north side.

Q. Couldn't you have found out what the length of that whole portion of the fence was on the north side, before you swung the other one round or since you swung round. Could not you go now and find out what was the part of the old fence by looking at it and your knowledge of it while you had been there?

A. I could pretty near, I guess.

Q. But it didn't strike you to do that?

A. No, I never thought about it.

Q. This additional plowing that was done between the 1st. and 15th September, 1908, outside of the fenced portions, whereabouts was it? Was it to the east of the fence or to the west of the fence?

A. To the west.

Q. It was to the west of the fence?

A. Yes.

Q. Was it plowed the same length as the part that had been previously plowed?

A. A part of it was plowed and a part was plowed west.

Q. Part of it would be plowed parallel to the westerly side of the original plowing?

A. Yes, and a part was plowed to the west line.

Q. I think you told me it was not in one piece, but was it all lying to the west of the part that had been fenced and cultivated?

A. Yes.

Q. It was all on that side anyway?

A. Yes.

Q. You say all this plowing was to the west of the first breaking?

A. Yes.

Q. What distance was it between the westerly side of the fenced part until it reached your westerly boundary. Do you know what distance it was between the fenced portion and the westerly boundary of your quarter section?

A. I can't exactly tell you.

Q. Was it all plowed between the westerly side of the portion under crop and the westerly boundary of your land?

A. On the 1st.?

Q. Yes, or on the 15th.?

A. It was plowed the whole length and outside of the fence or part plowed that way.

Q. But was not all plowed between the five acre piece and the westerly boundary of this westerly side of your quarter section?

A. Some of it was plowed that way up to the line but not out this way.

Q. Not all?

A. No.

Q. It was a sort of an irregular piece that was plowed after the five acres were plowed?

A. Yes, outside of the fence.

Q. It was plowed north and south and the other part was plowed east and west up towards the westerly line?

A. Yes.

Q. Do you remember what date, or about what date your brother completed that plowing in addition to the five acres, in addition to the part within the fence?

A. It was somewheres before the 15th.

Q. Was there any plowing done that fall after the 15th.?

A. Yes, I plowed about 1½ or 2 acres myself.

Q. Between the 1st and 15th September, I understand you to say there were three buildings on the quarter section?

A. Yes.

Q. There was a shack and there was a sod building?

A. Yes.

Q. And some other building; what do you call it - a barn?

A. Yes, a barn.

Q. The barn being constructed out of a hay slide?

A. Yes.

Q. Was it an enclosed barn or just without a roof on it?

A. Enclosed all round with lumber.

Q. That is to say, you broke up the hay slide and used it in making the barn?

A. Yes, and we moved it some time after that for a granary.

Q. And I think you said something about getting another place from your brother's?

A. Oh no.

Q. Was this the building that was removed to your brother's place?

A. Yes.

Q. This was removed to your brother's place?

A. Yes, after I built one of the other barns.

Q. That is the barn in which one of the witnesses spoke of being engaged in building?

A. Yes.

Q. What quantity of lumber is there in a hay slide, what is the length of it?

A. About 20-feet long.

Q. How wide?

A. The lumber was 16-feet wide.

Q. 16 x 20, was it?

A: Yes.

Q. That would not go very far, would it, in building a stable or barn, lumber that would be 16 x 20?

A. There was more lumber in it than that. The lumber was

that wide and 20-feet long.

Q. Was that the lumber that you used in the barn that you referred to?

A. Oh no, I got more lumber. You see I may have taken some lumber off that barn before I moved it to my brother's place, but I got lumber to build this new barn.

Q. When was that hay slide converted into a building?

A. I don't know. I don't remember just the date, but it was some time that fall.

Q. Up to the 15th September it was in the condition of a hay slide, I suppose?

A. Before the 15th. it was a stable.

Q. Was it before the 15th. that you had built it into a stable?

A. Yes.

Q. I thought you said it was some time in the fall, did you mean later?

A. I meant some time that fall.

Q. Could you tell whether it was before the 1st September that you converted the hayslide into a building?

A. I am not sure whether it was before or after.

Q. Wouldn't your brother having done that plowing know much better than any witnesses than have been here, even than yourself, as to the quantity of land that was plowed between the 1st and 15th September 1908?

A. I done some myself you see.

Q. Between the 1st. and 15th.?

A. Yes.

Q. How much did you do between the 1st. and 15th yourself?

A. I had two outfits there breaking.

Q. You were paying these outfits?

A. I was not paying them.

Q. So that you would not know from what it cost you, how much they were doing?

A. No.

Q. How do you arrive at it so that you could swear with reasonable certainty as to the amount of plowing that was outside of that fence on the 1st September or afterwards up to the 15th September?

A. A person would have a pretty good idea to look at it, how many acres there was. I didn't think it was necessary to go and get someone to measure it.

Q. Tell me as nearly as you can how much plowing or breaking was outside that fence on the 1st September?

A. Somewheres between four and five acres on the 1st.

Q. And that had been all done prior to the 1st September, had it?

A. Yes.

Q. And was that part, the part that you did yourself?

A. A part of it.

Q. Only a part of it?

A. Yes.

Q. And the other part was done by whom?

A. My brother; we used to work a good deal together.

Q. Exchange work?

A. Yes, we would work most all the time together.

Q. Can you remember now what was doneon the 2nd. You were in town on the 1st. and 2nd. were you not?

A. I don't know whether I went home on the 2nd. or not but I was here on the 1st.

Q. And you went home, you trink, on the 2nd.?

A. Yes.

Q. Was your brother plowing in there or anybody on the 1st. and 2nd. while you were away?

A. No.

Q. Do you remember the day after you got back to your place, that would be on the 3rd.?

A. I think somewheres about that.

Q. Do you remember what date you commenced to extend your plowing?

A. Right after I came home.

Q. You mean next day?

A. Yes.

Q. That is as near as you can remember, that you commenced next day?

A. Yes.

Q. And you were plowing there the next day as far as you can remember?

A. I had my two brothers there plowing each with outfits.

Q. By outfits, you mean a plow and four horses each, do you?

A. Yes.

Q. So you have another brother?

A. Yes, I have two brothers there.

Q. This other brother that was doing the plowing, where is he?

A. He is there.

Q. Do you know how many days he plowed prior to the 15th September 1908?

A. I don't just remember how many days.

Q. I don't remember whether you said you stopped plowing on the 15th. or whether you continued on afterwards?

A. On the 1st. I plowed about 1½ or 2 acres after the 15th.

Q. By yourself, was that?

A. Yes, by myself.

Q. Did you know how many acres was required to be broken on your homestead in order to entitle you to pre-emption or did you find out?

A. I don't know that I did find out.

Q. Didn't you know when you came in town on the 1st. of September 1908. Did you discover that the plowing you had was not sufficient?

I found out that he had filed against my homestead.

Didn't you ascertain from someone who could give that information with authority, what quantity of plowing

was necessary in order to get a pre-emption?

A. I guess I understood it was about about 15 acres not to get the pre-emption but to prove up on the homestead.

Q. You knew that, in order to prove up on your homestead?

A. Yes, but I had a few years yet to do my improvements, I had five years altogether to do my improvements.

Q. And of that time, how much time had expired?

A. There was only 1½ years I guess to complete.

Q. That you had still time to complete your homestead duties?

A. Yes.

Q. Why did you think that you had to do more plowing on your homestead before you could get your pre-emption, or did you think that?

A. I was not sure what improvements you had to have on before you got a pre-emption.

Q. But you knew what improvements you had to have in order to get a patent for your homestead?

A. Oh yes, I understood that.

Q. When did you get your patent for your homestead?

A. I made application the next Spring 1909, I think it was in May.

Q. In May 1909?

A. Yes, and then Mr Wheeler put in a complaint against that and he put me out for my patent for over a year.

Q. This reference to $100. expenses that you had been put to, have you made any such a statement, if you made any

such a statement, what had it reference to that it cost you $100.?

A. That would be the time I came down in January. The time that he had us subpoenaed for perjury;if I ever did make that statement, that would be the time.

Q. There was nothing paid to any official or anything of that kind, was there, in order to get your homestead?

A. No Sir, not a cent.

Q. And if you did make any reference to it having cost you $100.00, it had nothing to do with introducing anyone in that way?

A. No Sir, not a bit.

Q. This Mr.McLean that spoke about it having cost you $100.00 may have been mistaken as to the date if you did say it?

A. I guess the man is capable of anything as far as I can find out.

Q. If you did say it, it was not at that time at any rate?

A. No.

Q. And meant you had incurred costs subsequent to that date, anyway you referred to Mr Wheeler disputing your claim?

A. Yes, in January, if I said it.

Q. You had some expenses in connection with a perjury trial, had you?

A. I certainly had.

Q. Was any of this money given to any of these men who made declarations, or in connection with the evidence that was given at this perjury investigation?

A. No Sir.

Q. It was not?

A. No Sir.

Mr Maher:

Q. What was the object of doing this harrying outside of the fenced strips of ground?

A. It was stony in one part and it was easier breaking east and west.

Q. When land is plowed like that, in strips, does it look as if the area were greater than done in one piece?

A. It was not done for that purpose at all.

Q. But does it look any more?

A. No, I don't know that it looks any more.

Mr Smith:

Q. You wanted to prove up your homestead in 1909, in the spring, did you not?

A. Yes.

Q. And you knew you had to have 15 acres plowed before you proved up?

A. Yes.

Dear Sir:-

RE. PEEVER & WHEELER.

Since my letter to you of 9th inst., I have received from Messrs. Clarke, McCarthy, Carson & Macleod, the firm of Solicitors who acted for Mr. Peever, the enclosed letter and account of expenses.

As I do not know what action your Department may take upon my report, I am replying to Messrs. Clarke, McCarthy & Co. that as soon as my report has been or what action may be taken upon it they will be advised by the Department, which, I presume, is the proper course to take.

I think although I annexed a copy of my report to your files which were returned, I must have omitted to enclose with my letter a copy of the report, and I now enclose same.

Dear Sir,

Re PEEVER & WHEELER.

On the receipt of yours of 7th inst., I asked the solicitors for Mr. Peever to verify their claim for witness fees, and have since received the enclosed affidavit marked "Approved" by me.

By paragraph eight of my report referred to in your letter of 7th inst. I only intended, and it was so understood by all parties, that only the actual disbursements of the witnesses in attending here would be allowed, and by expenses of the parties I meant, and it was so understood, that only the travelling expenses would be allowed to the parties, the same as in the case of their witnesses. Some time ago I notified Mr. Wheeler's solicitors to file their disbursements for witnesses, but have heard nothing further from them.

Sir,

I [illegible] herewith, two accounts which [illegible] to this Department for payment [illegible] incurred in connection with an investigation that was recently made by Mr. [illegible] under the authority of an Order in Council dated the 1st November last.

[illegible] is senior partner of the legal firm of Muir, Lefaivre, Adams, barristers, Montreal, and his bill for services and disbursements is hereunto annexed. The account referred to above. It amounts to $61.20. The other account for $18.80, is in respect of the fees and disbursements of the stenographer who was employed. Mr. Muir as Commissioner.

Mr. Mitchell, the clerk of this Department, informs me that as the investigation was made upon the recommendation of the Minister of Labour and for the authority of an Order in Council, it is not necessary that the accounts should be audited, but that a certificate as to their correctness, signed by the Commissioner, is sufficient. I have the Commissioner's account and his certificate

Sir,

I beg to inform you that your entry for the [illegible] of Section [illegible], Township [illegible], Range 17, West of fourth Meridian, will now be cancelled in accordance with the abandonment you have executed and the land made available for re-entry.

The [illegible] Inspector's valuation of the improvements, which you say consist of a house worth, $300.00; eleven acres of breaking, worth $44.00; fencing, $40.00, will be collected in addition to the entry fee.

If at any future time you are in a position to fulfil the required settlement duties, and desire another homestead, it will be necessary for you to make a written request addressed to the Secretary of the Department of the Interior, Ottawa, for this authority so that the transaction may be on record here.

Your obedient servant,

Dear Sirs:

RE: S.W. 14-36-22-W.4th M. Homestead.
S.W. 2-30-17-W.4th M. Purchased Homestead.
Jay C. Trenaman.
Your Ref.-Mrs. Hattie Trenaman,
File - 17952.

I have your letter of the 30th ultimo, and in reply I am to state that when making application for patent for his homestead, the S.W. 14-36-22-W.4th M., on the 25th January, 1908, Mr. Trenaman stated that he was 30 years of age and had a wife and one child.

In support of his application for patent he furnished a Certificate of Naturalization dated the 21st August, 1907. This document was returned to him on the 10th March, 1908, to Irenville P.O., Alberta.

The S.W. 2-30-17-W.4th M. is the patented purchased homestead of Mr. Trenaman, patent for which he obtained bearing date of the 1st May, 1912.

I regret to state that the records do not disclose the age of Mrs. Trenaman.

Yours very truly,

J. Lorne Carter,
Registrar of Lands.

Sir,

I, in command with others, shall thank you for information on the following question, viz: Several quarters in this township are fractional, but if contemplated reclamation be successful, full quarters, or 160 acres, will need be available. As the cost of reclamation must be borne by the holders of these fractional quarters, will the land reclaimed, be added to it without further cost? It appears unreasonable to spend money on this land, which will continue for some years, & have to purchase it, later. For instance the N. ½ of S. 57. 26. W 4 contains 300 acres only, If the remainder 120 acres be reclaimed, or arable, how will it be disposed of?

N.W ¼. 8, 57, 26, W. 4,

Sir

I am obliged to your letter of the 8th Inst re the above, and now submit statement as requested.

I hold as Soldier Grant the N.E ¼. 8 57 26 W 4. and it will be greatful if you will kindly have the necessary steps to be taken for the issue of letters patent for this quarter. The residence duties, area cultivated and crop and buildings, fencing etc will be found in order. I also possess enough stock to comply with the requirements, my 10 head of cattle, 1 brood sow, with her progeny running on the land etc.

Since obtaining entry for these quarters I have resided in the vicinity on lands held by my sons and assisted them in the cultivation of same, except the time spent with the C.E.F. and 6 months in hospital suffering from rheumatism, The special circumstances may be summed up as:-

(a) Inability to undergo severe physical work required.

required to bring raw land into a state fit for cultivation,
(b) Absence nearly five years with the C & F.
(c) The questionable policy of spending large sums of money on land of this nature, no a profitable return is anticipated
(d) Desire to pay sums on land of a better quality in the vicinity.

You may with this information before you feel justified in recommending the issued Letters Patent to me for both quarters. I am a bona fide settler and do not intend to sell or mortgage the land -

Re Pr. N.E.¼ 8-51-26-W4th M.
Soldier Grant.

I am to acknowledge your letter of the 21st June last, enclosing a statement in defence of your homestead, in which you suggest your right to receive patent for both homestead and soldier grant, notwithstanding that the latter was only entered for on the 9th April last.

In reply I beg to inform you that by virtue of military service with the Canadian Expeditionary Force the residence conditions in connection with your homestead have been fully satisfied and you are thereby relieved of the necessity of erecting a dwelling house. However, it will be necessary for you to complete the cultivation duties as required by the regulations, or if the land is unsuitable for agricultural purposes, to substitute stock in lieu thereof. The Agent of Dominion Lands at Edmonton is being instructed by concurrent mail to detail a Homestead Inspector to report in reference to the character of both your homestead and soldier grant; on receipt thereof you will be further advised.

Where an entrant has met the requirements as to residence by military service, he is permitted to complete his cultivation duties in one season and, under the circumstances, if as you state the land is unfit for cultivation, the maintenance of stock on same in one season will be accepted in lieu of breaking and cultivation. This, however, would entail your fencing the entire quarter-section and erecting buildings on the land, or on land on which you are residing in the vicinity, for the accommodation of your stock.

In connection with your soldier grant it will be necessary for you to perform six months' residence in each of three years either on your soldier grant or on your homestead, or on land with a relative in the vicinity, besides fulfilling the requirements as to cultivation or stock as the case may be, in each of three years.

You will be further advised in reference to the foregoing on receipt of the report above referred to.

Your obedient servant,

James K. Murray, Esq.,

Sir,

M.M.1 8-31-26, 7.4th M.

Referring to my letter of the 15th July last, I beg to inform you that the report by a Homestead Inspector therein referred to has been received. According to the evidence submitted your homestead is unsuitable for agricultural purposes, the majority of the land being in a lake.

Under the circumstances, you will be permitted to substitute stock for cultivation.

Provided you have the quarter-section properly enclosed by a substantial fence and suitable buildings for the accommodation of your stock either on your homestead or purchased land, you will be in a position to make application for patent provided the necessary number of stock has been maintained on your homestead for six months in any year. Application for patent must be made at the Dominion Lands Office at Edmonton or at a Sub-office for the district.

Sir:

I beg to acknowledge the receipt of your letter of the 26th ultimo, setting forth your desire to secure in addition to your homestead, the fractional N.W.¼ 6-51-26-W.4th Mer.

I would inform you that there is apparently no land lying on the north side of your homestead which you could be allowed to acquire, and it is no longer the practice of the Department to issue free additions to homesteads which may be short of the theoretical area of 160 acres. However, I am sending your communication to the Department at Ottawa in order that your request may be noted.

Sir:-

In reply to your letter of the 28th January last, making application to have the portions of the fractional South west quarter of section 17, township 51, range 26, west of the 4th meridian, included in your homestead entry covering the adjoining fractional North West quarter of section 8 in the same township, I beg to inform you that your application cannot be granted, it being contrary to the practice of the Department to make further additions to homesteads which contain less than the theoretical area of 160 acres.

The Department is prepared, however, to consider an application from you to purchase the undisposed of portion of the said fractional South West quarter of section 17, namely, the south west quarter of legal sub-division 4, containing 10 acres, at a price to be determined after an inspection of the same by an official of the Department.

I may add that it is regretted that owing to an oversight your letter was not answered at an earlier date.

File No. 3593

OTTAWA. March 15, 1928.

MEMORANDUM:

The Commissioner of Dominion Lands.

Re: NW.¼ 3-51-26-W.4M.

Replying to your memorandum of the 7th instant, hereunder, we would say that Mr. Murray would appear to be within his rights in removing such obstructions from the stream. He should, however, exercise judgment and do the work during the dry season so that there might not be a large accumulation of water to be released to the detriment of lands below him on the stream.

If the next edition of the township plan will show the former water area as "low land liable to flooding" this Service will offer no objection to the whole of the NW.¼ of Section 3, Township 51, Range 26, West of the 4th Meridian being disposed of to Mr. Murray.

"I would conclude from this investigation
"that the area affected by the lake varies from that
"shown on the township plan in a wet season to a
"few small pools in a dry season and would recommend
"that it be dealt with by the Department on that
"basis."

"If, in view of this report the Department desires
"to dispose of the whole or any part of the land shown
"as a water area on the official township a special
"plan describing it as "low land liable to flooding"
"will be issued upon request."

The matter was referred to the Dominion Water Power and Reclamation Service in view of the small drainage operations in the creek and the report therefrom states:-

"Replying to your memorandum of the 7th instant,
"hereunder, we would say that Mr. Murray would appear
"to be within his rights in removing such
"obstructions from the stream. He should, however,
"exercise judgment and do the work during the dry
"season so that there might not be a large accumulation
"of water to be released to the detriment of lands
"below him on the stream.
"
"If the next edition of the township plan
"will show the former water area as "low land liable
"to flooding" this Service will offer no objection
"to the whole of the N.W.¼ of Section 8, Township 31,
"Range 16, West of the 4th Meridian, being disposed
"of to Mr. Murray."
"

As stated Mr. Murray has been granted permission to purchase the N.W.¼ of Legal Subdivision 4 of Section 17, and in view of the report from the Surveyor General, especially the last two paragraphs thereof, I beg to recommend that the balance of the N.W.¼ of Section 8 be patented in his name, subject to this filing evidence that he is still the registered owner of the patented portion.

Memorandum:

Mr. J.K. Murray, who obtained letters patent for his homestead the Provincial W.L. of Section 8, Township 51, Range 9, West of the 4th Meridian, in August, 1912, applied to have the area which was excluded, added, as it did become practically dry.

Permission to purchase the S.W.¼ of L. S. 4, containing 40 acres in Section 17, adjoining, at the rate of $1.00 an acre, in connection with his Patented homestead. (Memorandum of the 4th December, 1912, filed 2910.36)

The applicant claims that the unpatented portion of his homestead lies within his fence and is clear of water and quite as good from the viewpoint as much of the patent land in the vicinity.

A report from the Surveyor General dated the 21st January last, states:-

"On June 20th in company with Mr. James K. "Murray owner of the north half of section 8, an "investigation was made of this lake and it was found "that owing to the abnormally wet season the water "in the lake affected the quarter Provincial subdivisions "as shown on the township plan dated 3rd April, 1912, "on an area which at the time of investigation was "covered with more than two feet of water. From "information received from three different sources "this lake during a dry season becomes a marsh with "a few pools.

"It is supplied from a creek and a few small "springs. The outlet is a creek which flows through "sections 9, 4 and 5 and empties into the Saskatchewan "river in section 5.

"Mr. Murray and a neighbor from the north "east quarter of section 4 made an attempt to clean "out this creek which had become obstructed by fallen "trees, but settlers further down the stream objected "to this on the ground that their land was being "flooded. Mr. Murray claims that if they were allowed "to keep this creek clear it would be kept practically drained at all seasons.

Sir,-

Re Frl.N.W.¼ 8-51-26-W.4th Meridian.

I beg to refer you again to your wish to secure the unpatented portion in this quarter section and may say that if you will furnish the Department with an abstract of Title showing that you are the present owner of that portion of this quarter section which was patented to you in August 1923, your case will be given further consideration.

In this connection, I may say that last year a Dominion Lands Surveyor reported to the Department that you and a neighbour from the N.E.¼ 4 made an attempt to clean out the creek which flows through Sections 3, 4 and 9 and empties into the Saskatchewan River in Section 2. It appears this creek had become obstructed by fallen trees but settlers further down the stream objected to the work you attempted to do on the ground that their land had been flooded.

You would appear to be within your rights in removing such obstructions from the stream but you should exercise judgment and do the work during the dry season so that there might not be a large accumulation of water to be released to the detriment of lands below you on the stream.

SENT

Dear Sir:

RE: S.W. 14-46-3-W.5th M.
William John Mahoney.
Your Reference-104/463.

I have your letter of the 29th ultimo, and in reply I am to state that the above mentioned man filed on the N.E. 14-46-3-W.5th M. as a homestead on the 9th September, 1910. When filing he stated that he was 41 years of age, and was born in the Province of Quebec, in the Dominion of Canada, his last place of residence being Montana, U.S.A. At that time he stated that he was a citizen of the United States of America, and that it was his intention of becoming a British subject under the laws of Canada.

When making application for patent on the 21st November, 1914, Mr. Mahoney stated that he was a British subject by birth and had always been one. Apparently the difference in the statements as to his nationality as given in his application for homestead entry and his application for patent was overlooked and he was not called upon to furnish any documentary evidence as to such nationality. Patent then issued in his favour bearing date of the 11th March, 1915.

Mr. Mahoney then filed on the S.E. 18-46-3-W. 5th M. as a soldier grant entry, and in his application for patent for such parcel of land dated the 12th May, 1932, he stated that he was a British subject by birth and had always been one.

Yours very truly,

Director.

Dear Sirs;

NW 14-46-3-5 5th Mer.

I have your letter of the 16th September (file 514-12) relative to your request as to the said description of one "Mahoney" who obtained Patent for the above mentioned land.

Our records indicate that one William John Mahoney in his sworn statement dated the 21st November, 1914, in support of his application for Patent, gave his age as 43 years and also stated that he was a British subject, having been born in the Province of Quebec.

Statement of

application for Homestead Patent for

of Section Township Range

Meridian.

1. Where were you born, and what is your present occupation and post-office address?

2. Are you a British subject by birth or naturalization? If by naturalization, state when and where you were naturalized.

3. Are you married? If a widow, when did your husband die? If a widower, when did your wife die?

4. Where is your family residing? If you have a family residing with you on the land, state the fact, and the name and age of each member of it.

5. Were you ever before the owner of a homestead? If so, where is it situated? If you have received a patent for it, state the fact. If you have not received a patent, state the reason why.

6. Did you ever before apply for a homestead? If so, where is it situated? If you have received a patent for it, state the fact. If you have not received a patent, state the reason why.

7. How did you first learn that this land was open for entry? What induced you to select it? Had you any friend or agent to assist you in selecting it? If so, what is his name and address?

8. How many acres of this land have you broken? How many do you intend to break this year? How many acres have you under crop this year? What crop did you raise in each of the years you have been in occupation?

Canada,
Province of Alberta
To Wit:

I, Hugh Pollock
of Calgary in the Province of Alberta
do solemnly declare:

That I made entry for the above mentioned land at the Dominion Lands Office at Lethbridge on the 18th day of July 1919

and I now abandon and relinquish my said entry and all claim thereto for the following reasons:

Unavailable for farming. Already all stumped up
in small areas
Unprofitable. I could make more
by working elsewhere.

Land is all covered with small poplar, scrub and stumps, except the
cultivated portion (Sec. 14 - 10 - 14 W 4). Lived on homestead
from 1916 to 1919. Continuous residence duties performed
Built one room house (12 ft x 14 ft cost in all $150) granary 4 ft x 5 ft,
granary 2 ft x 20 ft x 1 ft cost $200; 3/4 mile 3 wire fence,
posts 2 ft. 8 in. for material broken (cost) 1 acre 14 roots
cultivated $15; 15 acres breaking @ $3.50 $52.50 other cultivation improvements upon land.

If I can get the chance.

And I have not received directly or indirectly any part of the consideration for the said land, nor entered into any agreement for the sale thereof, and I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act.

Personal - Stephen [illegible],
Deceased soldier,

Returning to your letter of the 1st March last, I am to say we are that as the Department has received evidence of the death of the above named entry, it has been decided that action will now be taken to have patent for this land issue in the name of the deceased without calling for the performance of any further settlement duties.

You will be notified of the issue of patent which will be forwarded to the Registrar for the Land Registration District in which the land is situated and in order to obtain transfer of title it will be necessary to comply with the requirements of that official with regard to Letters Probate of Will or Letters of Administration. In case you have not already obtained such grant of your brother's estate I may advise you that the Province of Alberta has made provision for assisting the heirs of deceased soldiers in administering the estates of their deceased relatives. For further information in this connection you might apply to the Estates Branch, Alberta Returned Soldier Commission, Edmonton, Alberta, describing the above land and giving your brother's regimental number.

E.C. 165739.

Ottawa, 13th February, 1924.

Memorandum:

Mr. Hume.

You have called for a report in reference to this case.

The late Archibald D. McDiarmaid took up a homestead by proxy in September, 1908, and applied for patent in March, 1923.

According to the evidence submitted the duties have been completed satisfactorily. However, patent has not yet issued.

In January, 1917, Mr. McDiarmaid made application for a portable sawmill berth on the North East quarter of Section 24, Township 54, Range 5, West of the 5th Meridian, and the issue of a permit was authorized on the usual conditions, and although he made certain payments from time to time, it does not appear that he ever took out a permit. Nevertheless, the cutting of timber was proceeded with, and by his operations Mr. McDiarmaid became liable for double dues on timber cut without a permit. However, this has since been reduced to ordinary single dues. With allowance for payments made on account, there appears to be an outstanding indebtedness of $17[illegible].

It is the practice where a timber permit has not been returned by an entrant to withhold the issue of patent for his homestead until the permit is returned with the affidavit duly executed as to the quantity of timber cut, and dues must be paid on anything cut in excess of what the permit calls for. Inasmuch Mr. McDiarmaid was never granted a permit, nor paid the rental which a permit entails, the Department has undoubtedly dealt leniently with him in waiving double dues.

Since making application for patent, Mr. McDiarmaid has died, but Letters of Administration have not been filed. In accordance with the practice of the Department, previously referred to, the Agent of Dominion Lands at Edmonton was notified on the 15th May, 1923, that before Mr. McDiarmaid was granted patent for his homestead it would be necessary for him to pay the dues charged for timber illegally cut. Mrs. McDiarmaid notified the Department in February, 1923, of the death of husband and under instructions from the Department she he advised by the Crown Timber Agent at Edmonton that payme the indebtedness will require to be made before patent

Mrs. McDiarmaid wrote the Department 17th October last pointing out that she was the moth

..

children and unable to meet this liability, and
suggesting that the amount due be made a charge
against the homestead, which might be liquidated
following issue of patent.

The matter was referred to Mr. Yost
concerning the legality of making this indebtedness
a charge against the homestead. It was further pointed
out that as Mrs. McDiarmid had probably not lived
permitted by the cutting of the timber, the claim
was due to the propriety of waiving payment of the claim.

Mr. Daly holds that the matter of charging
homestead under such circumstances is one of equity.

The question of Dominion lands in this
manner is sanctioned by practice, and I am unable
to the practice came into force. In this Department
instance however it does not appear that the Department
is justified in further delaying the issue of patent,
but before submitting the matter it was the intention
to have Mr. Cuttle interview Mrs. McDiarmid and ascertain
her ability to pay the dues. Draft letter was accordingly
prepared accordingly, and will be found attached hereunder.

Dear Sir

I recently filed on Homestead. S.W. ¼ of 2-48-6 West of 4th, and now find that there are between fifty and sixty acres taken up by a lake - further that some six acres of land on the north side of the ~~lake~~ quarter projects into the lake and can only be got at by trespassing on the grounds of the Homesteader on the N.E. ¼ -

If it could be arranged I would relinquish this piece of land on the north and would request that the S.E. ¼ of 34-47-6 should be added to my quarter which even then would still be under the regulation 160 acres -

I trust this letter will have your favourable consideration and trusting to hear an early reply.

I am yours faithfully

S I R,-

Adverting to your letter of the 10th September last, File No.159099, enclosing a communication from Mr.Jas.Henderson, in which he makes application that the E.½ of Section 34, Township 47, Range 6, west of the Fourth Meridian, be added to his homestead, I am directed to draw your attention to the fact that homestead entry was granted to Mr.Joh Peterson for the S.E.¼ of the Section on the ~~6th~~ 10th August last.

With respect to the ground upon which Mr.Henderson bases his application to be allowed to purchase the land in question, namely, that he can only obtain access to the lake by trespassing on the N.E.¼, presumably the N.E.¼ of Section 34, I am to point out that the relative position of this quarter section and Mr.Henderson's homestead would preclude any necessity for trespassing.

DECLARATION OF ABANDONMENT.

In the Matter of the South East ¼ of Section
Township 47 Range 6 W 4th Meridian
Homestead Pre-emption

DOMINION LANDS OFFICE
MAR 8 1909
EDMONTON.

I, John Peterson
of Vermilion
do solemnly declare :—

That I made entry for the above mentioned lands at the Dominion Lands Office at Vermilion on the 6 day of August 1908, and I now ask to have said entry cancelled, and be permitted to take up another homestead for the following reasons, namely :

(Here state reasons.) (1) Too much water, and I made mistake about the ¼, and filed on the wrong quarter.

(Here state nature and extent of residence, and, if not on homestead, where performed.) (2) Have lived on my homestead since making entry

(Here describe the improvements effected by self, agent or Overseer. Have not a "break" ploughed and cultivation each year.) (3) Two acres broken and a shack.

1604 79

That I have not received directly or indirectly, nor have I been promised, nor do I expect to receive any consideration of any kind for allowing said entry to be cancelled.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act, 1893.

Re application of [illegible] for [illegible]

I beg to acknowledge the receipt of your letter of the 16th ultimo, with reference to you desire to obtain protection for six months in connection with your entry as above described, and in reply to say it is noted that you began residence on your father's land, the North East Quarter of Section 34, Township 47, Range 6, West of the 4th Meridian, on the 22nd of April, 1913, and have been in continuous residence thereon since.

The Agent of Dominion Lands at Edmonton is being authorized by a copy of this letter to protect your said entry until the 1st of September next, conditionally that you have by that date, ten acres of your land broken.

Your failure to comply with the above conditions will render your entry liable to cancellation.

ACTION TAKEN W. P. I.

Sir,

I beg to acknowledge the receipt of your letter of the 5th instant, and in reply to say it would appear from evidence on record that you commenced residence with your father on the North West ¼ of Section 34, Township 47, Range 6, West 4th Meridian, prior to the date of your father's death. As this land is situated within the nine mile radius provided for in the Homestead regulations, residence on your late father's homestead would be considered considered a compliance with the homestead regulations in connection with your homestead entry for the South West ¼ of Section 33, Township 47, Range 5, West 4th Meridian.

When residence is being performed in this manner, it is necessary that at least fifty acres of your homestead be brought under cultivation; a reasonable proportion of the cultivation should be performed in each of three years.

Your obedient servant,

Robert [illegible],

Alberta.

MEMORANDUM.

APPLICATION TO PURCHASE.

Fractional Legal Subdivisions 1 and 8, South of lake, Section 34-47-6 W. 4th M., containing 41.5 acres bordered green on sketch. Vacant.

Situated about 2 miles from Wildmere, Alberta.

I beg to submit the application of John Pitterson to purchase this parcel.

Mr. Pitterson was granted Patent in July 1911 for the South West 34 as a Homestead, and in February 1912 fractional Legal Subdivision 2 of the same Section was patented to him as a sale. The latter parcel was paid for at the rate of $3.00 an acre.

The Homestead Inspector reports as follows on this application:

"This land is on south ofaswampy lake and would be useful as a pasture for Mr. John Pitterson and having about 41 acres which Mr. Pitterson should be allowed to purchase at the rate of three dollars per acre. At some time there were improvements on this land which today have no value.

"I would recommend that J. Pitterson be allowed to buy this land at $3.00 per acre."

If a sale is authorized, the applicant will, of course, have to file an Abstract of Title, showing him to be the owner of the adjoining land patented to him.
